City to Receive State, Federal Funds For Use On Mail, Other Streets

By HARRY BARNES
Press-Record Staff Writer

Granite City has qualified for participation in the federal-state topics program and expects to receive from \$150,000 to \$200,000 for installation of traffic safety improvements, Mayor Donald Partney has informed city council members.

The council was notified in regular meeting Tuesday night of the allotment of \$28,710 for advance planning of improvements proposed by the city in 13 street intersections, including the traffic realignments that

will be necessary in construction of the new downtown Granite City Mall.

Mayor Partney said the particular improvements to be made under the Topics program will be determined in plans to be prepared by Harland Bartholomew Associates, St. Louis engineering and planning firm. The Bartholomew firm also is preparing plans for the mail project and has been instructed to use as much of the anticipated Topics funds as possible in the mail programming, the mayor said.

The Topics program is a federal-state project which provides grants for municipalities setting up programs of traffic safety improvements. The funds may be used for traffic signals, intersection rearrangements, construction of additional turn lanes and other improvements that are strictly of a safety nature. Topics monies cannot be used for regular street improvements such as paving, drainage or street extensions.

Partney said the \$28,710 allotment for planning certified to the council Tuesday night by the Illinois Division of Highways will be paid 50% by the state and 50% by the city. The highway department has ruled, however, that the city may use motor fuel tax monies in providing its 50% of the planning fund.

In applying for eligibility in the Topics program, the city has set up a program of safety developments in 13 street intersections, Mayor Partney explained.

The mayor said he was told in a meeting at Springfield with officials directing the Topics program that Granite City may expect an allocation of \$150,000 "and possibly more" for the initial program, most of them in the downtown area. After work is completed in the initial program, the city then may develop additional projects to qualify for additional funds, Mayor Partney explained.

Halloween Parade in Downtown GC Saturday

By VALERIE EVENEDEN
Press-Record Staff Writer

An estimated 250 colorfully garbed masqueraders are expected to take part in the traditional "Halloween Night Parade," set for 7:30 p.m. Saturday through the downtown Granite City business district.

The annual affair which usually attracts several hundred youthful and adult marchers will be co-sponsored again by Moose Lodge 272 and the Downtown Granite City Shopping Center Merchants.

Edward Chastain, Moose Civic Affairs chairman and parade marshal, today announced that judging the costumes will be Fred Bolliger, financial secretary of the Tri-City Shrine Club; Assistant Police Chief George Teller; and Captain Ron Kerley of the Salvation Army.

Costume Categories
Marchers will be eligible for awards in three categories — "Best Dressed," "Most Original," and "Most Comical." Cash prizes of \$10, \$6 and \$4 will be presented to the top three winners in each division, with an additional 40 cash consolation prizes to be awarded.

Children and adults attired in costumes are to gather in front of the city hall on Niedringhaus Avenue at 7 p.m. Saturday, when numbered tags to identify the entrants for judging will be assigned by members of Women of the Moose, Chapter 247.

The parade, starting promptly at 7:30 p.m., will leave the city hall, proceeding east to State Street, south on State to 19th Street, west on 19th to Niedringhaus and Cleveland Boulevard, then east back to the city hall where masqueraders will pass in review for the judges, Chastain said.

In event of inclement weather, the Moose official said, permission has been granted by First Granite City National Bank to hold the costume judging beneath the canopied area on the State Street side of the bank's parking lot. The covered area will be used only if rain prohibits the parade from being staged, Chastain said.

Ceremony To Dedicate Memorial

Public ceremonies will take place at 2 p.m. Saturday outside the Wilson Park pavilion in which the FSF Thunderflash jet fighter, the Quad-Cities newest memorial, will be formally dedicated.

Parents of youthful trick or treaters should make certain their children can be seen while Halloweening, safety authorities warned this week, cautioning that costumes made of dark material increased the chances of not being seen by motorists as small tricksters cross streets at night.

Parents are urged to insure their youngsters' safety by making costumes clearly visible, adding yellow or yellow stripes, polka dots or pieces of reflective tape to their outfit.

A flashlight carried by the child helps him to be spotted more easily and children should be instructed to remove their costumes while crossing the street so their vision will not be obstructed, parents are advised.

Children walking in and from the downtown parade should be escorted or given instructions on traffic safety, Chastain urged.

Council Rejects Bill to Limit Halloween Activity

A resolution that would have fixed a "suggested" period of 3 to 5 p.m. Sunday for Halloween costumes to be worn in a lengthy debate on the proposal. Both were made by Alderman R. E. Robertson who first tried to have the resolution referred back to the Ordinance Committee, and then attempted, also unsuccessfully, to table the measure.

The resolution was sponsored by Alderman Thomas Boker who requested in the council's Oct. 19 meeting that a resolution be passed containing no provisions for enforcement. The alderman said he was supporting the ordinance "only as a guide-

The United Fund Campaign has reached 78.1% of its goal, division leaders reported during the third campaign report meeting at noon Wednesday in the YMCA.

Collectors to date total \$39,490 of the \$100,000 goal, an increase of 3% above pledges announced at the report meeting last week. At that time, \$29,773 had been pledged or contributed.

The highest percentage of collections was reported by Paul Kelly, campaign co-vice chairman, speaking for the Industrial Employees division. Kelly reported that \$154,272 or 99% of the division's \$170,000 goal had been pledged or donated.

Commercial division, Don Adams, Harold Fischer and Paul Lichtenberger, \$15,618, or 39% of the division's goal.

Public Service division, Lawrence McCauley, \$10,906, or 54.3% of the division's goal.

Residential division, Carl Mathias, \$7,126, or 47.9% of the division's goal.

News Notes

'Green' Light' on Lake Park Fund Application

Hearing a report on the planned Horseshoe Lake park yesterday afternoon by Henry D. Karandjich, Granite City banker and chairman of the Illinois State Horseshoe Lake Area Commission, the East-West Gateway Coordinating Council board gave unanimous approval to the project.

The action taken by the Gateway Council directorate was to authorize a pre-application for acquisition of the lake and adjacent property in Madison County. The document earlier was approved by the Council's executive advisory committee.

Net effect of the action is to accelerate preparations for release of \$4,106,813 in federal funds as well as substantial Illinois Department of Conservation allocations to finance a \$6 million three-phase development of a major fishing, boating, nature study, camping, conservation and recreation area.

How high is up? How far will a balloon travel?

A partial answer has been obtained by the First Granite City National Bank, which sent "Give the United Way" balloons aloft at the United Fund's annual Fun Fair Oct. 2-3 at Wilson Park.

A balloon has been returned — along with a \$1 UP contribution — by Joseph T. Yuska, Rural Route One, Kendallville, Ind. He wrote:

"On Oct. 17 my son was romping through the neighboring woods in our lakeland area and came upon a partially inflated balloon. We reside outside of Kendallville, which is located about 30 miles directly north of Fort Wayne, Ind. Since you have gone to such lengths to advertise your cause, we felt we would send a small contribution."

The Illinois State Medical Society asks children on Halloween rounds to beware of food and candy which may be tainted or include dangerous materials. Parents are urged to accompany small "trick or treaters" and to inspect the Halloween bags of their older children when they return home. Flashlights should be carried and costumes should be fire-resistant; reflective clothing or bands should be worn.

The daylight-saving time changeover will take place Saturday night or early Sunday morning. When 2 a.m. Sunday is reached, the hour between 1 and 2 a.m. is to be repeated; this is accomplished by turning clocks forward 11 hours.

There is growing speculation that SWSW Dental School funds — needed to permit initial studies to be accepted in 1972 — will

The United Fund Campaign has reached 78.1% of its goal, division leaders reported during the third campaign report meeting at noon Wednesday in the YMCA.

The highest percentage of collections was reported by Paul Kelly, campaign co-vice chairman, speaking for the Industrial Employees division. Kelly reported that \$154,272 or 99% of the division's \$170,000 goal had been pledged or donated.

Public Service division, Lawrence McCauley, \$10,906, or 54.3% of the division's goal.

Residential division, Carl Mathias, \$7,126, or 47.9% of the division's goal.

Special Fair Share awards were presented to representatives of American Steel Foundries, Laclede Steel Co., General Steel Industries, A. O. Smith Corp. and the Press-Record.

Kelly told all those present that special committees and teams are being formed to assist division leaders in areas in which they are encountering problems.

He said that if the goal is to be reached in the next two weeks, it will take hard work from all volunteers. Kelly predicted that despite discouraging returns at this time, the goal of \$100,000 can still be reached for Nov. 10 when final division reports will be made.

National Steel Profits Down; U.S. Steel Loss

Third-quarter earnings of \$4.07 million, equivalent to 22 cents per share, were reported for National Steel Corporation Monday afternoon at Pittsburgh by its president, George A. Stinson.

For 1971's first three quarters, net profit totaled \$38,742,311, or 68 cents per share. The profits are reported this week include those of National Steel's third-quarter and nine-month figures in 1970 were \$20,247,172 or \$1.10 a share and \$50,711,529 or \$2.5 a share, respectively.

For both the third quarter and the nine months, Stinson said, the 1971 financial results reported this week include those of Granite City Steel Co., which became a subsidiary of National Steel effective Aug. 16. Na-

tional's third-quarter and nine-month results for 1970 also have been restated on a pooling-of-interests basis.

Dilution of National's earnings per share as a result of the pooling amounted to four cents for the third 1971 quarter and 16 cents for the nine months.

As restated, dilution for comparable periods in 1970 would have been 10 cents and 17 cents per share, respectively.

"The third quarter profit is highly unsatisfactory, to say the least," President Stinson said. "In large part, this results from payroll increases of more than 15% during August and September following the labor set-

tlement in effective Aug. 1.

"In even larger part, it is due to the decline in production and shipments which was anticipated as an aftermath of the settlement. That decline, which still continues, proved to be deeper than had been predictable."

"Third-quarter shipments," he added, "were down 23% from the comparable 1970 quarter. This caused our net profit to drop to levels unequalled since the 116-day, industrywide steel strike of 1959."

"With costs at record levels and with fourth-quarter orders at a level thus far only slightly better than the third quarter, we continue to find ourselves in a severe profit squeeze."

Sales totaled \$333,784,021 for the third quarter, 16% below the \$396,372,313 total for the third 1970 quarter.

For the first nine months of 1971, sales totaled \$1,207,409,823, compared with \$1,310,045,315 for the comparable 1970 period.

18 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

Three Arrested in Halloween Pranks

Gary H. Whitehead, 17, of 2436 E. 24th St., and a juvenile, were arrested at 7:05 p.m. Tuesday at 24th and Edwards streets after they allegedly threw bathroom tissue in the trees and shrubbery in the area.

Whitehead was charged with disorderly conduct and released on \$25 bond at 1:25 a.m. Wednesday. A third youth involved in the incident eluded officers.

In another incident, one juvenile was arrested and two escaped after they were seen throwing bathroom tissue on trees at 24th and Kate streets at 7:05 p.m. Tuesday.

Canal Freight Below Estimated Peak

Freight shipped through the Chain of Rocks locks and canal during September was well below earlier estimates that shipments would peak at more than 5 million tons, after reaching 4,938,740 tons in August.

Total shipments in September decreased to 4,376,747 tons, according to the U. S. Army Corps of Engineers.

The all-time record of 5,373,775 tons was set in October, 1970, after a similarly unexpected September slump to 4,381,281 tons.

Shipments this month are expected to top the 5 million ton mark and may approach the record, officials said. Total tonnage for the year thus far is below last year's total.

The September report showed

36,756,685 tons were shipped in the first nine months of this year, while shipments totaled 37,274,379 tons in the same period of 1970.

Last month's total included 4,576,397 tons of commercial freight and 350 tons of government freight.

The number of vessels that have passed through the locks also is lagging behind last year with 48,044 vessels moving through the canal in the first nine months of this year, as compared with 48,996 in the same period of 1970. Last month, 6,185 vessels passed through the locks.

The total included 1,115 commercial tow boats, 33 commercial passenger boats, 4,814 barges, 214 private recreation

boats, five government tow boats, 13 government barges and 18 patrol boats.

A total of 1,189 lockages was recorded in September, exceeding the 1,178 lockages in August and the 978 lockages in September 1970. Total lockages for the year thus far are 8,790, exceeding the 8,468 in the first nine months of 1970.

Total commercial tonnage moving upriver in September was 2,474,197 tons, and 2,102,200 tons moved downriver.

Freight shipments included: petroleum products, 552,100 tons upriver, 195,900 tons downriver; grain, 43,100 up, 1,068,800 down; coal, 885,250 up, 2,660 down; cement, sand and gravel, 26,630 up, 98,150 down; miscellaneous commodities, 611,950 up, 77,650 down; iron and steel products, 42,400 up, 74,500 down, and chemicals, 311,747 up, 45,650 down.

Pontoon Beach Plans Halloween Party

A Halloween party for the children of the Pontoon Beach area will be held from 7 to 9 p.m. Sunday at the Long Lake Volunteer Fire Department Hall in Pontoon Beach.

The children will be treated to free soft drinks and apples. Attendance prizes will be awarded. Additional prizes will be given to children wearing the best Halloween costumes in each of three age groups.

The party is sponsored by the Civic Action Party, which is headed by Thomas L. Staicoff, president of the village board.

Concerned Commitment to Universities But Within Financial Resources -- Ogilvie

By GOVERNOR

RICHARD B. OGILVIE

Illinois taxpayers should be proud of the support their dollars have furnished for our state colleges and universities. Let's keep in mind that state government does not have a bottomless barrel of money—and neither do our taxpayers who provide all the funds.

Early this year I was faced with demands for additional funds—way above previous levels—for our college system.

There was no way to keep the state solvent within available revenues and meet these demands without cutting into other vital areas of state government.

The only other alternative was a tax increase, which I had announced would not happen in this state.

Consequently, we held the line with small increases that withstood every attempt to increase them further.

The record of spending on our college system is revealing. It puts into proper context the argument of people who ask for "more, more, and always more."

During three budget years—compared to the three previous years—these increases have been made to operating funds.

For scholarships, from \$36 to \$112 million, an increase of 211%.

For junior colleges, from \$65 to \$143 million, an increase of 120%.

For universities, from \$764 to \$1,164 million, an increase of 52%.

In my book, that represents a strong and determined commitment of the taxpayers' funds to the future of the young people in our college system.

It is probable the nature of bureaucracies—and our colleges are not immune to being given that label—to allocate budget "cuts" where it will hurt the most and cause the most

complaint.

I put quotes around cuts because we cut the requests for funds to make current spending slightly higher than the year before.

So the "cuts" are really not cuts at all.

Working within the available funds, Budget Director John McCarter just announced some transfers that will permit a modest cost-of-living increase for university staffs.

At the same time, they have been brought under a statewide emergency health plan that will save them money and provide important preventive medical help.

Despite our sharply limited resources, we were able to provide an adequate and fair share for our colleges. And what of other needs?

Local school systems—and the local taxpayers—are in financial trouble every where. Should we have cut state aid here to avert the colleges?

The only hope we have of not housing the same state prisoners time after time is to establish real rehabilitation programs. Should we have cut here?

We are determined not to have

our mental hospitals operate as testing grounds for the mentally ill. Should we have cut funds for better mental care?

The question before us was not simply the complaint against educational spending on a lavish scale, though there is some foundation for this complaint.

The questions were rather, how to make the budget balance, which is my constitutional duty, and how to meet our vital priorities.

Critics argue that state government is crippling the higher education system of the state. The figures on expenditures tell a different story.

Operating on the limited funds of our taxpayers, I intend to give education the high priority it deserves without short-changing other vital needs.

Illinois education is strong and will continue to be strong. But there is no bottomless barrel of money for this or any other purpose of government.

All of us as taxpayers have paid and are paying the costs of a fine educational establishment.

In the trust sense, government does not pay for anything—the taxpayers do.

So it's no argument at all to propose a worthy use for their money and say: "Let the government pay for it."

Our record is one of concerned commitment—within our resources.

Three Injured in Two-Car Collision

Three persons were injured when cars driven by Michael Williams, 22, of 2333 Nankook Drive, and Jimmie H. Hayes, 16, of 66 Kaseberg Park, collided in the intersection of Lincoln and Bell Avenues at 4:20 p.m. Tuesday. Both cars left the pavement after the collision and came to rest on the lawn of the home of Ed Bartley, 2304 Lincoln Ave.

Both drivers and Miss Darcy Reading, 29, of 2130 Grand Ave., a passenger in Hayes' car, were taken by ambulance to St. Elizabeth Hospital for treatment.

Miss Reading was admitted with an abrasion to her forehead and hematomas to her right knee and left ankle. X-rays of her skull, facial bones, left hip and ankle and right knee were taken.

Hayes was treated for an abrasion to his forehead and was released following X-rays. Williams complained of pain to his forehead where it struck the dashboard. X-rays of his skull and spine were taken and he was released.

Freda Henson, 76, Dies; Ill 6 Months

Mrs. Freda Mary Henson, 76, of 237 Avalon St., Glendale Gardens, near Wood River, died at 11:45 p.m. Tuesday at Deaconess Hospital, St. Louis. She had been ill six months and a patient at the hospital for five days.

Mrs. Henson was born in Venice. She also lived in Wood River eight years ago.

She was the daughter of the late Mr. and Mrs. John (Carrie White) Kimbrel.

Survivors include her husband, Charles Henson, whom she married on March 28, 1948 in Venice; two daughters, Mrs. Lillian Naeve and Mrs. Rita Brawley, both of Granite City; 14 grandchildren and six great-grandchildren. She was preceded in death by a brother, Edward Kimbrel.

Funeral arrangements are given in today's obituary column.

Madison Senior High School — 6th and Farish, Nov. 4 and 5 — Open house from 2 to 4 p.m. All teachers and other personnel will be available for visitation. Parents must report to the office for a schedule of their child's classes; help will be provided to show the parents to the teaching areas by members of the National Honor Society.

Harris School — 7th and Alton, Nov. 4 and 5 — Open house from 2 to 4 p.m.

CD Team to Aid Law in 'Witches Watch' Patrol

To help deter malicious Halloween pranksters who spoil the fun for genuine trick or treaters, the Madison City Civil Defense ALERT Team 368 will work closely during the coming weekend with Granite City and Pontoon Beach police departments in a "Witches Watch" program, it was announced today.

The ALERT designation stands for Affiliated League of Emergency Radio Teams, a national organization composed primarily of Citizen Band radio operators. The local civil defense group, formerly known as the C.B.E.R.T. Club performed the same service last Halloween.

With the sanction of police officials, ALERT Team members have agreed to patrol and observe certain areas of the community in a concentrated effort to prevent vandalism caused by pranksters.

Serious Vandalism — "The ones we intend to watch closely are those bent on more serious forms of mischief than the usual trick or treaters," Walter N. Schmidt, team captain, said.

During the "Witches Watch," the ALERT Team will work hand-in-hand with local police, reporting incidents involving wanton vandalism to their headquarters. Regular patrolmen will handle any situation from that point, the ALERT official said.

At least nine vehicles, marked with CD stickers and equipped with CB radios, will be manned by team members to keep a watchful eye in areas where vandalism has proved a problem in previous years.

Pontoon Beach and Mitchell will be included in this year's "Witches Watch" patrol area, it was learned.

ALERT Team personnel will be attired in orange jackets, marked with a red and black diamond superimposed with "ALERT" in white letters. Team members will carry identification badges and proper credentials, Schmidt said.

"Witches Watch" patrols will be operational from 7 to 11 p.m. Saturday and Sunday.

Robert T. Murphy, 49, Found Dead at Home

Robert T. Murphy, 49, of 2527 Grand Ave., was found dead in his home by Granite City Police Tuesday at 8:40 p.m. An inquest will be held. Death apparently was due to a cerebral hemorrhage, which authorities said could have been suffered after a fall.

Born in New York, Mr. Murphy had lived here 16 years. He was a crane operator at General-Steel Industries. Murphy was a world war II veteran.

He is survived by his wife Mrs. Eulene Murphy, two sons, Robert T. Jr. and Marvin J. Murphy, all of Roger, Ark.; two daughters, Mrs. Marilyn Neal of Roger, Ark. and Miss Janet Denise Murphy of Roger, Ark.; two sisters, Mrs. Kate Tempilar of New York, and Mrs. Mary Duffy of Portland, Ore.; three brothers, William Murphy of San Antonio, Tex., and Edward and Raymond Murphy, both of New York.

Funeral arrangements are given in the obituary column.

Topic of Sunday Service Announced

Like the Halloween mask that hides one's face, sin obscures one's true identity. This aspect of the nature of sin will be brought out in a Bible lesson-sermon entitled "Everlasting Punishment" at the 10:45 a.m. service of First Church of Christ, Scientist, 2560 Delmar Ave., Sunday.

Sunday school for children and teens up to the age of 20 also is held at 10:45 where qualified teachers teach from the King James version of the Bible.

PUMPKIN POW WOW where members of the Indian Guides and Indian Princess groups participated with their fathers in preparing Jack-o-Lanterns for Halloween night. The "fun project" was

'Pumpkin Pow Wow' Is YMCA Event

In keeping with the Halloween season, a "Pumpkin Pow Wow" and the annual fall induction ceremony for all first-year fathers, daughters and sons who belong to the Indian Princess or Indian Guide groups was held Tuesday evening at the YMCA. Marvin Van Metre, executive director of the Y conducted the ceremonies.

Fathers and children carved pumpkins into jack-o-lanterns as a fun and social phase of the evening. About 60 took part in the program.

The groups meet twice a month in homes of members for regular meetings and the YMCA schedules some type of activity during the month, such as swim day, parties or handicraft sessions, when emphasis is put on fun time between father and child to effect a closer relationship through the planned program.

Van Metre announced the next two activities will be a Sports Pow Wow on Nov. 6, and a Christmas gift handicraft session on Dec. 2 when the children will make Christmas gifts for their mothers.

Henry Stoppkotte, 79, Dies; Active Mason

Masonic graveside services were held in Clear Water, Fla., Oct. 19 for Henry Stoppkotte, 79, former operator of the Quality Bakery here for 25 years.

Mr. Stoppkotte was an active member of Masonic Orders here. He belonged to Masonic Lodge No. 977, the Shrine, Royal Arch Chapter 221, and the East St. Louis Commandery.

He is survived by his wife Mrs. Irene Stoppkotte, who is living in Florida; one son, Howard Stoppkotte, two daughters, Mrs. Earl (Dorothy) Matthews and Mrs. Elmer (Velma) Neumann; two sisters, Mrs. Mary Schreiber and Mrs. Emma Medvey, six grandchildren, and six great-grandchildren, all of Granite City.

Special Education Rotary Club Topic

Larry Dew, supervisor of the Educable Mentally Handicapped and the Trainable Mentally Handicapped programs for the Special Education District of Madison County, Region One, addressed the Madison Rotary Club at its Wednesday noon meeting at the Madison Recreation Center.

Dew described operations of the Special Education District, which includes the Granite City, Madison and Venice school districts, and how these districts work cooperatively to provide special educational facilities for students.

He outlined a brief history of Special Education and the enabling legislation by the state of Illinois. A question and answer program followed the talk.

Rotary President Starkey appointed Walter F. Strange, sergeant-at-arms, in the absence of Wayne Scannell.

Three Men Charged Following Disturbance

Three Granite City men were charged with disorderly conduct and intoxication after a disturbance at the Home of the Blues, 1539 Twentieth St., at 11 p.m. Tuesday, police reported.

George A. Bodie, 28, of 2196 Adams St., Frank Hayes, 32, of 2111 E. 20th St., and David Mathis, 21, of 2302 E. 20th St., were released on \$50 bond each Wednesday morning.

School Burglary

Drafting equipment valued at \$33 and a small quantity of ice cream were taken in a burglary at Grigby Junior High School, it was reported to police at 9:15 a.m. Tuesday. Among the equipment taken were pencils, paper, books and instruments. The drafting cabinet doors were pried open, police said.

Arrested at Tavern, Conduct Charge Filed

James T. McGill, 42, of St. Louis, was charged with resisting arrest and disorderly conduct after an incident with Granite City police officers at Boccera's Tavern, Edison and Niedringhaus avenues, at 8:25 p.m. Tuesday.

Officers said McGill refused to leave the tavern and when they attempted to take him into custody, he ripped the badge from the shirt of Patrolman Richard Woods. He was released on \$75 bond at 3:35 a.m. Wednesday.

2 Hurt as Car Hits Bridge, Overturns

Two young women were injured when their auto struck the side structure of the Chain of Rocks Bridge on Interstate 270 and overturned at 12:50 p.m. Tuesday.

Injured were the driver, Miss Karen Scott, 18, of 2348 Paul St., and a passenger, Miss Galeen McDaniels, 17, of 3302 Franklin Ave.

State police said Miss Scott's auto was westbound in the left lane on the bridge about 20 feet east of the Illinois-Missouri state line when a white truck changed lanes suddenly in front

of her auto. She applied the brakes and lost control of the auto which struck the bridge and overturned on the roadway.

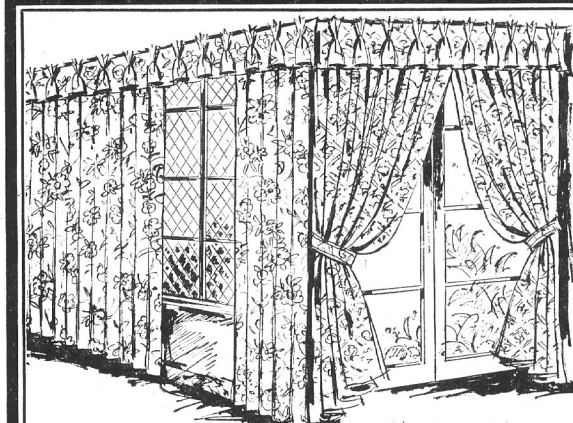

They were taken by ambulance to St. Elizabeth Hospital where Miss McDaniels was admitted after 48 sutures were administered to a severe cut to her right cheek and the right side of her head. X-rays were taken of her skull, spine, chest and facial bones.

Miss Scott was examined for pain to her head and was released after X-rays of skull and spine were taken.

In early days the effort to keep straight was a moral struggle—today it is a diet.

Harry E. Mueller, 2149 Delmar Ave., told police that an American flag, which had been on display in front of his home, was stolen at noon Tuesday. The flag was valued at \$3.

Terry Bellman, 17, of 2267 State St., was released on \$50 bond Tuesday after pleading innocent to a charge of disorderly conduct. Bellman is charged with throwing eggs against the house of Mrs. Doris Ward, 2032 Dewey Ave. He paid his \$50 bond in pennies. A trial date is to be set.

Amsted Industries Reports 17% Increase in Earnings

Amsted Industries on Tuesday announced its earnings per share were up 17% in the year ended Sept. 30, on a small increase in sales. Net income amounted to \$9,400,000, or \$3.41 per share, compared to \$8,100,000, or \$2.92 per share a year ago. Sales were a record \$274,000,000 in 1970. Joseph B. Lanterman, chairman, and Goff Smith, president, said, "Major factors contributing to the increase in earnings for the year were higher selling prices for certain product lines, reduced interest expense, the lower price of metal scrap—a major raw material used by the company's foundry plants—and the impact of continuing major cost reduction programs which resulted in an 8% decrease in the total number of salaried employees."

Earnings in the first fiscal quarter were down \$800,000, or 28 cents per share, from the year earlier quarter and, although there was a slight pickup in the second quarter, net income for the first six months still was substantially below the prior year. Earnings in the last six months of 1971 were up \$2,000,000, or 73 cents per share, compared to the same period a year ago.

Additions to fixed assets in 1971 amounted to \$5,670,000 and included major expenditures for air pollution control systems at foundry plants located at Council Bluffs, Iowa, Granite City, Ill. and East Chicago, Ind. Lanterman and Smith said that on basis of present plans, expenditures for plant additions in 1972, excluding acquisitions, will be about \$10,000,000. The largest expenditure will be for a major expansion of the railroad steel wheel plant in Transcona, Manitoba, Canada.

Long-term debt at Sept. 30 was \$6,658,000, down from \$16,429,000 a year ago.

At a board of directors meeting Tuesday, a dividend of 40 cents per share was declared payable on Dec. 15, 1971, to stockholders of record as of the close of business on Nov. 19, 1971.

Press-Record's... YULE MAIL CALL (Clip and Save)

Quad-City servicemen and women stationed around the world, whose names and addresses are being published in this issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip out and retain the lists as they appear. Local residents are invited to include the servicemen on their Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are away from their homes and families. Early mailing is recommended.

Madison Council Backs Site For State Building

The Madison City Council Tuesday night endorsed a proposal to build an Illinois state office building on land near Lakeside Airport which William Nichols, operator of Nichols Net and Twine Co., has offered to donate to the state. Nichols has extensive land holdings in the Horseshoe Lake area.

The Council instructed its legal staff to notify Governor Richard B. Ogilvie and Lt. Gov. Paul Simon of its endorsement of the site. Nichols has announced he will donate land for the building at Route 111 and State Aid Route 35 as an alternative to a proposed site in downtown East St. Louis.

It was the feeling of the Council that the site offered by Nichols would give more efficient service to the downstate area.

In other council action, Cecil Bell was promoted from probationary patrolman to regular patrolman, having completed his one-year probationary status.

Plan Hobbies Program
Mayor Sasyk announced that a craft and hobbies program for young children is being organized and will be operated at the recreation center at Seventh and Lee streets, and in West Madison.

Sasyk further asked that parents, in Madison, limit their children's trick or treating to Sunday only, between the hours of 5 p.m. and 9 p.m. He also announced that the Auxiliary Police would be on duty to provide additional protection to the children.

The Mayor complimented city department heads for staying within their budgets, and noted that the income from sales tax is behind the anticipated total because Schermer Brothers Market, which accounts for 40% of the tax, was closed for three months.

The next meeting of the Madison City Council will be held at the City Hall Nov. 9, at 8 p.m.

101st Airborne Troopers In Vietnam Listed Today

Two local servicemen stationed with the 101st Airborne Division in South Vietnam, one on his second tour of duty overseas, and an airman who recently completed basic training at Lackland Air Force Base, Tex., are among the military personnel listed in today's "Yule Mail Call."

Readers are reminded to clip and save "Yule Mail Call" lists as they are published, adding the names of the servicemen to their own Christmas mailing lists. Names and addresses will be printed in the newspaper as they become available.

Camp Evans, near the DMZ line in South Vietnam, an area well-remembered by many former GIs from the Quad-Cities, is base headquarters for Private First Class Charles E. Ringering, a son of Mr. and Mrs. Arthur Ringering of Rural Route One.

A member of the 101st Airborne Division, 3rd Brigade, Pfc. Ringering is with a radio communications team operating near the De-Militarized Zone in the northernmost sector of South Vietnam.

Rainy, Mosquitoes
In a letter to his parents, the local soldier wrote, "the country is beautiful, but it is the rainy season now and the mosquitoes are really thick." He also noted the area has "lots of apes, cobras, rats and lizards," adding that none appear to bother the troops to any extent.

However, he commented, one of the men killed a 19-foot cobra snake.

Also with the 101st Airborne, 301st Infantry, in the same general area as Pfc. Ringering, is Specialist Four James Whistler, a son of Mr. and Mrs. Kenneth

Burcham. The Burcham family resided on Myrtle Avenue until March

when they moved to Big Rock, Tenn. The soldier's sister, Mrs. Earl (Linda) High, lives at 3019 Myrtle Ave.

2nd Vietnam Tour
Spec. 4 Whistler, who will observe his 21st birthday on Dec. 5, has voluntarily returned to Vietnam for a second tour of duty.

He attended Granite City High School prior to joining the Army in July 1968, and spent Christmas in that year in action in Vietnam.

Airman Frederick E. Ballentine has completed training at Lackland Air Force Base in San Antonio, Tex., and has been assigned to a Ground Radio Communications School at Keesler Air Force Base, Biloxi, Miss.

He is the son of Mr. and Mrs. Jacob P. Ballentine, 739 Broadway, Venice. The airman said he would like to hear from his friends at home.

Local relatives, friends, church groups and service organizations are invited to submit the names and addresses of Quad-City military personnel based at home or overseas for inclusion in the sixth annual edition of "Yule Mail Call."

Those contributing a serviceman or woman's name are asked to provide the rank, serial number and full address, including APO and FPO numbers when applicable. The area of service may be noted in parenthesis following the mailing address.

Details should be printed on a postal card or slip of paper and mailed or brought to the Press-Record, 1815 Delmar Ave.

Complex unit numbers making securing the information by telephone a difficult task. Those submitting names are asked to identify themselves on the paper in the event verification is needed.

TRAINING SESSION for union stewards of United Auto Workers Local 1715 (A. O. Smith plant) was conducted at the Labor Temple here to review union procedures and international policies. Instructors at table on the left are Byron E. Huston, international representative of UAW, and Willard Herzing, president of Local 1715. Stewards seated at the far table along the wall from left to right, are Bob Altshuch, Bert Wells, Glenn E. Morgan and George E. Crocker. Seated in front of the far table are Stewards C. W. Jones and George Delozier. Twenty-eight union stewards participated in the program.

Attempted Deceptive Practice Charged

Ann Coleman, 25, of 11114 Madison Ave., Madison, was charged with attempted deceptive practices after allegedly trying to deposit a stolen check here yesterday.

Police said she opened a checking account at First Granite City National Bank at 11 a.m. yesterday with a \$37 check from a service station in Palmyra, Ill. Bank officials said the check was among checks taken in a robbery at the Palmyra Bank.

At 11 a.m. police said, she allegedly attempted to cash a \$75 check on the account. Police were called, she fled and was stopped by Venice police in Venice. Officers said two checks taken in the robbery were in her possession.

She was arraigned before Judge William Johnson at 3:20 p.m. yesterday and entered no plea. She was released on \$1,000 recognizance bond.

Home From Hospital
Frank J. Hilleman, 813 Washington Ave., Madison, was released Tuesday from John Cochrane Hospital, St. Louis, where he had been a patient for more than two weeks. He said he would enjoy visits from his friends and neighbors while recuperating at home.

Sports Award

charge of Square Dancing and the Silmettes program, was approved by the board.

Provide Landing Area
Victor H. Koenig, director of the Granite City Office of Civil Defense, was authorized to use the baseball diamond as an emergency landing area in the Emergency Preparedness Program which the state of Illinois is establishing. The areas for night landing must be located so they can be illuminated within 10 to 15 minutes after receiving notification that a helicopter is to land in the area.

Brown said that most of the winter recreation programs began Monday night and the first basketball meeting will be held tonight.

A discussion also was held on conveying to the City of Granite City the right to use lots for street purposes along 17th street between State street and Madison avenue and facilitate the extension of the 27th street parkway to Madison avenue. A letter was sent to the Mayor by the park district attorney, Randall Robertson, and the city has 90 days to answer with their decision.

A one day Ozark trip for 180 persons will be held this Sunday, with Harold Brown accompanying the group, it was reported. Two buses will be available to take residents to the Icecapades on Sunday, Nov. 7, Brown said.

Religion and Students

Topic of Film Sunday
Alan Young is the moderator of a half-hour television documentary on Christian Science which will be seen in the Quad-City area on noon Sunday on Channel Two.

Part of the ABC "Directions" series, the color film is expected to have special appeal to youth. Young, absent from TV since the days of the "Mister Ed" show, will discuss the relevance of religion to modern problems with students who attended the Christian Science College Organization meeting in August at the denomination's world headquarters in Boston.

Nu Zeta Hosts Rush Party

Halloween pumpkins, witches, black cats and scarecrows decorated the home of Mrs. Donna Kugy, 2227 Woodlawn Ave., Tuesday evening for a "Rush Party" given by Nu Zeta Chapter of Beta Sigma Phi Sorority. Autumn leaves were used for name tags and small favors in keeping with the decorating theme, were given each girl.

A "get acquainted" name game was played and Mrs. Marilyn Lumpkins, vice president, welcomed the guests. The officer described social and service projects completed last year by the chapter and those planned for the current club year. She also gave a brief history of Beta Sigma Phi.

Mrs. Eilyn Mae Curtis explained the sorority's financial program and discussed a display of books and pins collected by the Nu Zeta Chapter throughout the year.

Refreshments were served to those named and to Mesdames Shirley Worster, Sandy Cook, Phyllis Kubelka, Linda McKeehan and Shirley Parrelly, members, and Mesdames Peg Spellman, Janet Wilson, Judy Rousseau, Louise Wade, Dorothy Hatfield, Nancy Michaels, Diana Niepert and Diana Hartman, guests.

Former GC Pastor To Lead Revival

The Rev. Keith Stanford, former pastor of Suburban Baptist Church, 2500 St. Clair Ave., will return to the local church to conduct a week-long revival which begins at 6 p.m. Sunday. New pastor of the First Baptist Church in Bethalto, the Rev. Stanford will feature a special 5-minute message each evening for children, using a "magic" theme.

With exception of the 6 o'clock Sunday service, nightly programs will commence at 7:30. A nursery service will be furnished.

Directing the revival music will be John Constantz, minister of music at the Waldo Avenue Baptist Church, Independence, Mo. The Rev. Wendell Garrison, Suburban Church pastor, announced today.

VENICE PERFORMANCE. The U. S. Air Force Materiel Airlift Command Band, from Scott Air Force Base, under the direction of Master Sergeant Jesse Brown, presented a concert at the Venice High School. LAWN WEED CONTROL
Early fall is an ideal time to settle a grudge with dandelions in your lawn.

One application of 2, 4-D in late September will control both germinated seedlings and pre-emergent dandelions to produce a weed-free turf. Fall fertilizer and cool weather will stimulate surviving bluegrass to quickly spread into these bare spots and prevent new weeds from getting started.

Clover and henbit are easily controlled by adding Silvex (2, 4, 5-TP) to your spray mixture. One application should give you a clean sweep.

If you find 2, 4-D a problem because of wind drift to nearby flowers and vegetables try a granular weed killer or a combination fertilizer and weed ab-

killer. Both the granular and the amine (low volatility) form are available at garden stores and nurseries.

STORING PESTICIDES

Unused herbicides and pesticides can be used next year when properly sealed and stored in a cool place.

Liquid materials are often ruined if they freeze. Store liquid pesticides in a protected location to prevent breaking of the container or precipitation of the ingredients. Next year slightly increase the rate to compensate for age.

Always store pesticides in their original containers. Container labels always contain the directions for use, safety precautions and recommended rates. If your material does not have readable directions and details you may make a mistake when you use it next year. Always discard pesticides when the label is missing or unreadable.

National Steel

Stinson said, "an important and encouraging start toward the abatement of our problems has been made in the anti-inflation program instituted two months ago by President Nixon. It is quite clear, however, that this program has had and will have a very negative impact on our profits for both the third and fourth quarters."

"Inflation hurts us all — and no one worse than the steel industry with its high fixed costs and its heavy capital requirements. Certainly, a continuation of the wage-price spiral would have done incalculable harm to the country."

"For the shorter term, however, the squeeze we face is severe."

Investment credit included in the third quarter, 1971, financial statement totaled \$600,000, compared with \$3,525,000 for the comparable 1970 quarter.

Although National Steel viewed its earnings level as unsatisfactory, it did not fare as poorly as U. S. Steel Corp. and Republic Steel Corp., both of which listed large deficits for the third quarter.

U. S. Steel, the nation's biggest steelmaker, lost \$100 million in the quarter as sales fell 16.4% to \$1.1 billion from \$1.3 billion. In the 1970 third quarter, U. S. Steel earned \$33.6 million, or 62 cents a share. It was the firm's first quarterly loss since the third quarter of 1959.

Republic, the nation's fourth largest steel producer, said its net loss in the third quarter was \$151 million, compared with a profit of \$11.3 million, or 70 cents a share, in July-September 1970. Sales plunged 24% to \$261 million from \$349 million.

National Steel, with Granite City Steel included, is the third largest steelmaker.

of the year when children have fun and I can't understand why you would want to take that away from them."

Extreme Conditions

Baker replied that "this is brought about by extreme conditions. Things now are not like they used to be when I was a boy. Times have changed. When kids go out after dark, tragic conditions can develop. I favor some kind of control, although it is a shame such a thing has to be."

Robertson then moved to table the resolution, but that motion lost by a vote of 6 yes and five no votes. Eight votes were required to carry the motion.

Baker moved for suspension of the rules to place the resolution on final passage, an action requiring a two-thirds majority, or at least ten yes votes.

On a roll call vote, six aldermen favored the resolution and six voted against it. Voting yes were Aldermen Gerald Parmley, Baker, Paul Schuler, Clyde Boyd, Sam Whitmer and Frank Greenwald. Opposing the resolution were Aldermen William Dallas, Robertson, Pooler, Emerald Javes, Everett Morlen and Steve Basarich. Aldermen Walter Nonn and Claude Green were absent.

SIU-SW to Take Title To Shurtleff Campus

Southern Illinois University-Southwestern expects to take title to the former Shurtleff College campus in Alton within 30 days, Dr. B. D. Hudgens, vice-president for business affairs, said Wednesday.

Gov. Richard B. Ogilvie has released \$300,000 appropriated by the Illinois General Assembly to complete purchase of the property, which SIU-SW has been using as a teaching center since 1957.

The university entered into a lease-purchase agreement with the trustee of the Shurtleff College Property Trust in 1957. At that time the property was appraised at \$718,500.

The agreement called for payment of 7% of the appraised value annually, with half of that amount to apply against the \$718,500 purchase price. Payments on the agreement began in 1959.

To date, SIU-SW has paid \$882,200 to the trust, with \$431,100 applying toward the purchase price. The Shurtleff campus has been used for a variety of SIU-SW academic programs. At present, it is the home of the university's new School of Dental Medicine.

Goldfish Give-Away at Wilson Park Saturday

Youngsters who reside in the Granite City Park District may acquire two free goldfish at 9 a.m. Saturday at the garden area in Wilson Park, Harold Brown, park superintendent, said today.

About 40 fish which normally dwell in the garden ponds will be distributed to children on a first-come, first-served basis. Youngsters taking advantage of the give-away project must have their own container to carry the fish, Brown advised parents.

The official said that the district finds it less expensive to restock the ponds each spring rather than transfer the fish to indoor quarters for the winter months. The garden ponds are unheated.

Many youngsters return the goldfish to the ponds in the spring months, sometimes because the fish grow too large for their fishbowls at home. Brown added that returning the fish is not a requirement for receiving them Saturday.

Nicholas P. Cutlich has been named to the newly created position of regional sales manager for the central sales region of National Steel Corporation, it has been announced by John J. Gallagher, vice president-sales.

Mr. Cutlich presently is sales manager of Granite City Steel Co., a subsidiary of National Steel.

Mr. Cutlich, who will assume his new position on Nov. 1, will be responsible for the overall supervision of the eight district sales offices which comprise the central region. The offices are located in Chicago, Dallas, Indianapolis, Kansas City, Milwaukee, Minneapolis, St. Louis, and St. Paul.

Mr. Cutlich will maintain an office in St. Louis and will report to O. V. Johnston, assistant vice president-sales, central region.

A 1940 graduate of Northwestern University, Mr. Cutlich joined Granite City Steel Co. in 1945 as a sales representative. In 1951 he was named

NICHOLAS CUTLICH

manager of by-product sales and became assistant sales manager in 1956. He has been sales manager of Granite City Steel since 1960.

Mothers Plead Guilty In Truancy Cases

Two Granite City women pleaded guilty to charges of willfully permitting children in their custody to be truant from school, in Judge William Johnson's court in Granite City at 1 p.m. yesterday.

Mrs. June Jackson, 2265a Delmar Ave., and Mrs. Donna Pipes, 1739 Edison Ave., were informed by Judge Johnson that it is the responsibility of the parents or guardians of a child to see that the child is in school.

He said the maximum penalty for the offense is a fine not to exceed \$20 and/or not more than five days in jail on the first offense. The second offense carries a fine not to exceed \$50 and/or not more than 28 days in jail, the judge explained.

He told the parents that if a child is truant through no fault of the parents, the child may be held responsible for his actions in juvenile court.

Mrs. Pipes was sentenced to serve five days in county jail but Judge Johnson stayed the sentence pending a progress hearing Nov. 29. Sentencing of Mrs. Jackson was stayed until that hearing.

Driver Charged

Jeffery Breihan, Edwardsville, was charged with unlawful possession of a controlled substance and resisting or obstructing a peace officer after Pontoon Beach police stopped his auto on Route 111 in Pontoon Beach at 3:45 a.m. yesterday. He was taken before Judge William Johnson at 2:45 p.m. yesterday, pleaded innocent. Bond was set at \$3,000.

Open House Sunday at Tuberculosis Center

The Lewis-Clark Tuberculosis and Respiratory Disease Association will hold open house on Sunday, Oct. 31, from 2 to 5 p.m. and the public is invited to visit the organization's recently acquired and remodeled regional headquarters facilities at 523 Old St. Louis Road, Wood River.

Harold Hord, Alton, is chairman of the committee planning the event, which will include tours of the building, displays of health education materials, informal chats with members of the board of directors and refreshments.

The TB-RD Association is the Christmas Seal organization serving Calhoun, Jersey and Madison Counties. Its program activities and public health policies are established by a board of directors made up of community volunteers who serve without pay.

The board represents the general population from the three counties and includes Dr. Amos H. Rode, Granite City. An honorary lifetime board member is Dr. E. H. Theis of Granite City.

Mrs. Verne W. Lear Dies in California

Mrs. Verne W. Lear, 65, of 223 Hampshire St., Vallejo, Calif., the mother of the Rev. Wilbur L. Lear, rector of St. Bartholomew's Episcopal Church here, died suddenly Wednesday in California.

Funeral services will be held Monday in Vallejo. Mrs. Lear is survived by her husband, Wilbur C. Lear, and her son, the Rev. Lear.

There will be only one Mass at the church Sunday and no services during the week while Father Lear is in Vallejo attending the funeral.

GC Swimmers Aid Strong E. St. Louis YMCA Team

Nine Granite City youngsters are competing this season as members of the East St. Louis YMCA swim team. Most were with the local Paddlers swim squad during the summer season.

The local swimmers are Karen and Judy Reisinger, daughters of Mr. and Mrs. Herbert Reisinger, 2242 State St.; Mark and Scott Bueger, sons of Mr. and Mrs. Earl Bueger, 2128 Lindell Blvd.; Janet and Mark Becherer, children of Mr. and Mrs. Harold Becherer, 3314 Wilshire Drive; Eric Cunningham, son of Mr. and Mrs. Fred Cunningham, 137 P. on a c. Lane; and David and Ken. Claude Jolly, 2541 Ivy Lane.

Eight of the youthful swimmers captured a total of 14 first-place ribbons in a dual meet victory over the Belleville YMCA this week. In YMCA dual meet competition no swimmer may enter more than three events.

Topping the list with three victories was Karen Reisinger, 13-14 years, who won blue ribbons in 200-yard freestyle, 200-yard individual medley and 200-yard medley relay events.

Judy Reisinger, usually an 11-12 years division swimmer, competed against her sister in the older group during the 200-yard freestyle race and gained a second place ribbon. She also

won first place awards in the 100-yard freestyle and 200-yard freestyle relay.

Mark Bueger, 13-14, earned first place ribbons in 200-yard medley relay and 100-yard medley relay and second, 50-yard breaststroke.

David Jolly, 9-10, received two first-place ribbons, 200-yard medley relay and 100-yard freestyle, and earned second place in 100-yard individual medley.

His brother, Ken, 11-12, also won two first place ribbons, 50-yard freestyle and 200-yard freestyle relay and a second place in 50-yard butterfly.

Janet Becherer, 9-10, earned a first-place mark in the 100-yard freestyle and second in 50-yard butterfly.

Mark Becherer, 15-18, won first-place, 200-yard freestyle relay and two third-place ribbons in 200-yard individual medley and 100-yard backstroke.

Eric Cunningham, 15-18 age group, did not compete in this year's meet.

The East St. Louis "Y" team will swim Sunday at the Edwardsville YMCA and is preparing for an AAU-sanctioned contest against Carondelet of St. Louis during the Thanksgiving holidays.

Bryant Earns Place In Harrier Sectional

Howie Bryant of GCHS finished sixth at the Alton district cross-country meet Tuesday and earned a spot in the Jacksonville sectional run Saturday, beginning at 8 a.m.

The top five teams and the top 10 runners qualify for the sectional. The Warriors came in 8th, with 198 points.

The first five teams were headed by the Oak Grove team with 18 points, Collinsville 46, Highland 196, Triad 135 and Assumption 146. Madison did not take part. Fifteen schools competed.

Ken Johnson of Alton finished the three-mile course in 16:05 to win.

Other Warriors running were Mike Adams 13th, 16:43; Mark Ortiz 25th, 18:05; Richard Paschag 39th, 18:12; Tim Sheridan 61st, 18:29; Dale Livingston 71st, 18:33; and Jeff Schleicher, 78th, 18:33.

Today a man is certainly no account if he can't get more credit than is good for him.

Defending GCHS champion St. Louis University is ranked No. 1. The Cougars are scheduled to play St. Louis Nov. 6.

Cougar Soccer Team
Playing Home Games

Now fifth ranked nationally, the SIU-SW soccer team will play two games this week at Cougar field—against Jacksonville University at 4 p.m. today and against the University of Wisconsin-Kenosha at 1:30 p.m. Saturday.

Defending GCHS champion St. Louis University is ranked No. 1. The Cougars are scheduled to play St. Louis Nov. 6.

Managers of the Granite City Park District Classic, Church, and High School basketball leagues are to attend an organizational meeting today, 7:30 p.m., at the Nameki Recreation Center.

The center is located at Franklin Avenue and Pontoon Road.

Soccer Warriors Win 7th Straight

The undefeated Granite City High School soccer squad did it again Monday, defeating Whitfield of St. Louis County here 5-0 for its seventh consecutive victory.

The Warriors had little trouble with the Whitfield line and controlled action about 90% of the game. The Warriors attempted 32 shots on goal while allowing Coach David Fraser's squad only two attempts, both unsuccessful.

Warrior Coach John Sellmeyer began using substitutes after five minutes of play, when Granite City led 2-0.

Sellmeyer wants to give the sophomores and juniors on the squad as much play experience as is possible this year with a new coach. He turned here to most of the present starting lineup has graduated.

The first goal came in the first two minutes of the game when Jerry Duncan passed across the field to Jim Conway, who booted it in from the left side.

Two minutes later, Conway was in position for a pass from

Bill Bronbauer and easily tapped it in.

3-0 Halftime Lead
At 18 minutes into the first period, Bronbauer hit Jerry Duncan with a pass and Duncan blasted a hard kick past the Whitfield goalie, giving the Warriors a 3-0 lead at halftime.

Coach Sellmeyer sent the starters back out for the first four minutes of the second half and then began substituting juniors and sophomores.

Early in the period, Andy Baugh, a junior, passed to starter Randy Worthen, who beat the goalie. And at 18 minutes into the period the identical play again proved successful.

The Warriors will face rugged grade competition Saturday when Jacksonville travels here to try to avenge a 6-2 loss to the Warriors in the finals of the Central Illinois Tournament Oct. 16.

The varsity game will begin at noon on the Wilson Park field and will be followed by a junior varsity game between the two teams at approximately 1:30 p.m.

Warriors Face Tiger Team At Edwardsville Tomorrow

The claws of the Edwardsville football Tigers will be waiting for the Granite City Warriors at 8 p.m. Friday, when the Tiger homecoming game will be played.

The Tigers are 2-4 (won-lost), tallying 76 points to date against 88 for their opposition. Edwardsville has beaten O'Fallon and Wood River and has tasted defeat from Belleville East, Collinsville, East St. Louis and Alton. The Tigers are 0-3 in the Southwestern Conference.

The Warriors still have a respectable record of 3-2-1 overall but are 0-2-1 in the conference. GCHS has scored 46 points this season to foes' 52.

With an enrollment of 1,800 students, Edwardsville had 130 boys out for football in four grades.

The Tigers stick to the ground on offense, using several options.

Dave Frazier, 5-11, 174-pound senior fullback is the leading ground gainer for the Tigers. He has had two 100-yard games and one 90-yard game, and has gained upwards of 500 Tiger yards. The leading tackler for Edwardsville is Dave Reiter, 6-0, 178 senior.

"I saw Granite City play against Alton and I was not impressed with their offense. I saw them again against East St. Louis and the offense had improved but still was not impressive. They do seem to have a good defense," Head Tiger Coach Paul Fuchs told the Press-Record.

"The Warriors are a good sized team and can be real tough," Fuchs continued.

"We're going to run hard against them; that's all we can do. We just do not have anyone who can handle the ball in the air this season."

The Tiger offensive team will include Mark Wjite, 6-4, 185 senior left end; Jeff Schneider, 6-3, 230 senior left tackle; Mark Heepke, 5-11, 172 senior left guard; Jeff Wehling, 6-1, 200, senior right guard; George Burden, 6-1, 185 senior right tackle; and Steve Miller, 5-6, 150 junior right end.

With Frazier in the Tiger backfield will be Bab Ligon, 5-10, 165 senior quarterback; Terry Bradshaw, 6-0, 185 junior left halfback; and Dave Schoenleber, 5-9, 155 senior right half.

"We're going to need to bounce back both mentally and physically from our 20-7 defeat by East St. Louis Saturday."

The Tigers will play Edwardsville on Friday and

Warrior Coach Wayne Williams comments.

"Edwardsville has been playing better ball than its record indicates. The Tigers have had some close scores, and with this being their homecoming game they will be more keyed up to win."

"Last week we played well the first half and then just could not take advantage of anything during the second half."

"We have only lost two games, and can still salvage a good season. We have the talent to win. What we need really is more desire to win."

The Warriors have an open date on Nov. 5 and will travel to Belleville West on Nov. 12 for the last game of the 1971 season.

Both Class A and AA Tournaments on TV

Sports fans will be happy to know that the Illinois Class "A" basketball state finals will be coming their way on the second weekend in March next year, March 10 and 11. This will be the first telecast of a state final basketball tournament for schools with enrollment of 750 or fewer students.

The Class "AA" state finals will be seen the following weekend, March 17 and 18, and will be comprised of schools of more than 750 students.

Harry Fitzhugh, executive secretary of the Illinois High School Association, reports that a six-station network will carry the Class "A" quarterfinal games on that Friday and a

nine-station network will carry the quarterfinals on that Saturday, live and in color throughout the state.

The quarterfinals will be seen in Champaign, Peoria, Rockford, Moline, Quincy and Harrisburg on March 10, beginning with two quarterfinal games in the afternoon and two more in the evening. The semifinals and finals will be telecast on the afternoon and evening of March 11, in Chicago, Champaign, Peoria, Rockford, Moline, Quincy, Harrisburg, Springfield and St. Louis.

Tournament coverage will begin at noon and 7 p.m. on both days.

FORMER TROJAN FLASH Willie Ackers, 5-7½, 163-pound freshman at Northeast Missouri State College, is one of two Madison High School graduates on the Northeast squad this fall. The 19-year-old athlete, who plays a slot back position, resides in Venice. Also on the team is Harold James, 19, 5-11, 196, Madison, a freshman linebacker.

Trojans Travel to Dupo to Play Injury-Plagued Tigers

The Dupo Tigers will host the Madison football Trojans at 7:30 p.m. Friday.

With a school enrollment of 500, the Tigers had 39 boys out for football, including freshmen.

Twenty players for Dupo will dress for the varsity game Friday and this includes eight sophomores, eight juniors and four seniors.

Dupo is 0-5 (won-lost) to date, scoring only eight points to opponents' 163.

The Trojans, 1-5, have scored 71 points to 170.

Injuries have plagued the Trojans. In their game against Roxana, they lost two starters. Tommy Thomas, a halfback, broke his ankle and David Williamson, a linebacker, hurt his back.

A 250-pound starting lineman, Dan DeRousse, broke an ankle

in the first Dupo game. And Dan Malin, a senior tackle, dislocated his shoulder.

While injuries have hurt Dupo, the Trojans are being hurt even more when their players don't show up for a game. Two starters missed the Mater Dei game.

"I don't know what happened to them, they did not call or send word. We had practiced all week, with key plays built around them," Coach Al Vonder Haar said.

Dupo plays a 6-2 and a 5-4 defense, and the Wing T on offense. The Trojans pull on almost every play.

Leading tacklers for Dupo are John Frank, 6-4, 196-pound junior, and Dennis Keys, 5-9, 210 senior.

Two sophomores start for the Trojans—Mike Horn, 6-4, 175 offensive tackle and de-

fensive end and John Krenmel, 5-10, 160 line-backer.

Carrying the ball for Dupo is Edide Park, 5-9, 140 junior halfback. In one game, Park netted 123 yards.

Throwing the ball for the Trojans is Gene McKinney, 6-0, 155 senior quarterback. He had 11 completions out of 30 passes in the Dupo game against Lutheran South.

The Dupo offensive line will include Dave Douchant, 6-4, 155 junior right end; Franke, right tackle; Bill Barlow 5-10, 175 junior right guard; Mike Harris, 5-8, 175 junior center; John Morton, 5-9, 150 junior left guard; Horn, left tackle; and Jim LaCroix, 5-10, 165 senior left end.

In the backfield, with McKinney and Park, will be Bruce Feltmeyer, 5-11, 170 senior fullback, and Jim Parrin, 5-9, 140, junior halfback.

The Madison lineup will see some changes. Halfback Ed Chandler will be changed to a wide receiver and Roger Glasper will be a running back.

"Every play is basically a potential touchdown, and when a team consistently fails to make first downs, somebody is not doing the job. But we are gaining some confidence in our running game and we're still trying to find a winning combination," Vonder Haar emphasized.

The Trojans will play at St. Louis Lutheran North on Nov. 6 and at home for the last game of the season against Bethalto Nov. 13.

Tutoring Program for Quad-City Students

A tutoring program was initiated Tuesday at St. Mark's Church, Venice, for Tri-Cities elementary school students, according to Edward Schenk, executive director of the Madison County Economic Opportunity Commission.

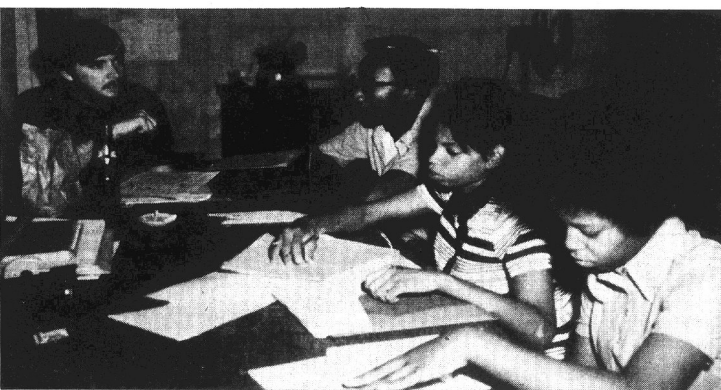

Classes are conducted in the late afternoons and tutors are students from Madison High School, SIU-SW and the Neighborhood Youth Corps program.

Educators from SIU-SW and Madison schools have provided technical assistance to establish the program, Schenk said.

Schenk noted plans for similar tutoring programs are under way in Edwardsville and Alton.

Radio Stolen

A table model radio valued at \$35 was taken from the home of Mary Durham, 2328 Washington Ave., police were told at 2:35 p.m. Tuesday. Officers said there was no sign of forced entry.

TUTORS RECEIVE BRIEFING for a special program at St. Mark's Church, Venice, sponsored by the Madison County Economic Opportunities Commission. From left, around the table, are Jim

Erb, youth counselor for EOC; Anthony Ragsdale, a tutor; Miss Geraldine Hughes, EOC community aid; and Miss Patricia Mosby, a tutor. Eight tutors will give assistance to area students.

City to Study Sick Leave Rules

A warning that a new sick leave ordinance may be necessary "to guard the city against abuses" was sounded in regular council meeting Tuesday night by Alderman Thomas Boker who said an investigation of sick leave records will be made by the council's Finance Committee, of which he is chairman.

Boker said his committee intends to check particularly into a predominantly larger number of "sick days" reported on Fridays or Mondays. A full report of sick leave cases over a six-month period will be prepared by the Finance Committee and submitted to the council as soon as it can be completed, Boker said.

"Most of the days off due to illness show that the employees on sick leave are off their jobs Friday, Saturday, Sunday and Monday," Boker told the council. "This would appear to me that employees are calling in sick to extend their weekends. I want to give warning right now to the department heads that we are going to look into this thing and look into it thoroughly."

been a constant cause of complaint by council members. Following Boker's remarks Tuesday night, the council approved payment of \$2,181 in sick leave payments for the first half of October.

Approve Bill Payments
On a motion by Boker, the council also approved \$289,142 in claims, including payment of \$121,373 in principal and interest on Sewerage System Improvement Bonds issued Feb. 1, 1968. The principal payment amounted to \$80,000 and interest amounted to \$41,260.

Claim payments out of the general fund, including the retirement, totaled \$141,974. Payment also was authorized

for bills totaling \$147,216 against the motor fuel tax fund. These included payment of engineering and construction costs on three separate street improvement projects.

Engineering fees of \$4,063 for work on the Warren Avenue improvement, and \$3,500 on the Palmer Avenue improvement were authorized for payment to Research Planning & Design Associates, the city's consulting MFT engineer.

The other motor fuel tax payments approved included \$64,228 for construction on Palmer Avenue and \$33,561 for construction on Buxton Avenue, both to H. Sebold Co. and \$41,714 to G. H. Sternberg & Co. for construction on Warren Avenue.

BAKE SALE FRIDAY FOR HEAD START PROGRAM

The Venice - Madison Head Start Parents Club is sponsoring a bake sale Friday at the Tri-City Grocery in Venice. Proceeds will go into a fund for extra supplies used during the Head Start program in the summer.

The Yak Yak Club met Monday evening at the Lee Park Recreation Center, with Mrs. Dorothy Scarlett serving as hostess. Refreshments were served to Mesdames Ethel Moore, Margaret Stover, Beulah Sizemore, Fay Smith, Kate Dymas, Mary Gunther, Faye Bailey, Bonnie Gibson and a guest, Marie Parker.

Mrs. Elsie Dillon of Granite City entertained school friends Tuesday in her home. The evening was spent visiting, and refreshments were served to Miss Brenda Luebbert, Miss Barbara Harrison and Mesdames Diane Zarlingo, Maryann Skowron, Ginny Buecker, Beverly Pounds and Charlotte Bilby.

SHOWER, BIRTHDAY PARTY
A joint surprise cradle shower and birthday party was given Tuesday evening for Mrs. J. O. Lehman and daughter, Joan. The Lee Park Recreation Center was decorated in a baby theme with pink and blue streamers, and a stork was used as the centerpiece. A birthday cake was presented to Joan, who was seven years old. Mrs. Lehman received many gifts.

Ballet Performances

The Irene Gintautas School of Classical Ballet will be presenting its fourth annual full-length ballet, "Amber Palace," several times during the fall. First performances of the Lithuanian folk legend took place at SIU-SW Tuesday. Admission was by invitation only, due to the large turnout in previous years.

A public performance will be offered Wednesday, Nov. 10, at 7:30 p.m., at the Minors Theater, Collinsville. Scout groups may obtain advance sales tickets at reduced price. Grants are being obtained by calling 931-1720. "Amber Palace" has been adapted from a poem by Marjorie, a Lithuanian poet, and has been set to music by Juozas Grudis. The story deals with a fisherman lured into the ocean depths by a goddess. His presence angers the "thunder god," who destroys a beautiful underwater palace.

Members of the troupe will travel to Chicago as guests of the Lithuanian-American Youth Culture organization. This is the second time the local dancers have been invited to perform for the group. Excerpts of the ballet will be presented during the convention.

The Gintautas School also has been invited to perform at the ballet festival sponsored by the Preude Civic Ballet.

Madison Teachers, Board Continue Talks
Contract negotiations are continuing between the American Federation of Teachers, Local 763, and the Madison School Board in an effort to reach agreement on a new contract. Board members and seven representatives of the union met in an informal session at the school board office Tuesday evening to discuss questions that have been raised during negotiations, specifically questions concerning the wage-price freeze.

Madison teachers are working under terms of the old contract which expired this year. Prior to that meeting, Dr. Robert Newsum, St. Louis psychologist, presented a proposed new training program for counselors to teach them to deal more effectively with mental health problems in students.

Storage Shed Looted
Virginia Moore, 3025 Willow Ave., told police at 3:20 p.m. Tuesday that burglars took two tires, valued at \$91, two car batteries worth \$70, and a stock wrench set from the storage shed at her home.

Specialized Services Is Topic

Training, counseling and other services offered were reviewed Monday evening for members of the Granite City Association for Retarded.

Meeting at St. John United Church of Christ, GCAR members were given an insight into the diversified services available from the non-profit organization by Jim Starnes, director of counseling services for a 3-county area and David Parrish, a training consultant at the Granite City Specialized Services Center.

The two men also showed a series of slides illustrating the various training, placement programs and job centers now located in the three counties.

Mrs. Hazel Kynion, GCAR president, was in charge of the business session and announced plans for a Halloween party from 10 a.m. to 1 p.m. Saturday at St. John's fellowship hall for young people sponsored by the association. The party will be hosted by Alpha Xi Chapter Epsilon of Sigma Alpha Sorority.

A summary of events at the annual convention of the National Association for Retarded Children, held in Denver, Colo., was presented by Mrs. Kynion, who attended the event with Mrs. Evelyn Gavin, GCAR executive director and Mrs. Audrey Lewis, secretary.

To Mail Yule Cards to Servicemen

Ladies in Action of Briarcliff Pentecostal Church completed plans for a bake sale at Tri-City Grocery store in Belleville Village Shopping Center on Friday and Saturday, at a meeting held Tuesday evening at the church, 1129 W. Pontoon Road.

Acting president, Mrs. Ann Hotson, attended the business session, attended by 14 members. Reports were submitted by Mrs. Dorothy Parker secretary, and Mrs. Phyllis Allen treasurer, who reviewed the proceeds earned in the Charity Days booth last month.

The group also planned to purchase Christmas cards and send them to servicemen listed in the Press-Record's Yule Mail Call column.

Mrs. Dorothy Parker gave the devotional lesson, taken from Romans 12, and led a discussion.

Mrs. Jo Raynor and Mrs. Eliza Travis served refreshments to those mentioned and to Mesdames Opal O'Rell, Omie Farless, Vida Murphy, Belle Wright, Edith Smalwood, Ruby Scott and two new members, Mrs. Beulah Mills and Mrs. Bette Wallace.

After a steak dinner, the evening was spent playing cards. Prizes were won by Mesdames Margaret Vackel, Jo Ervay, Mildred Greathouse, Dorothy Costello, Ann Tatum, Harriet Horn, Evelyn Allen, Judy Adams and Miss Hilda Schroeder.

Bi-State Transit in Further Revenue Drop

Passenger revenues for the Bi-State Transit System declined again approximately 6.5% below the budget, the Board of Commissioners of Bi-State Development Agency was advised Wednesday at the monthly meeting. Net operating revenues of \$74,128 were insufficient to meet the full interest requirements of the revenue bonds, and the system showed a deficiency of \$178,648 without provision for any payment to the Capital Improvement Fund.

John C. Baine, president of Transit Services Corporation, the operators of the Bi-State Transit System, said that the loss is evidently due to the fact that there has been no noticeable change in the softness of our local economy.

"The unemployment rate in our area is still high among the transit riding public," Baine said. He reported that charter revenue "was off 12% due primarily to the loss of several school bus contracts to a company that bid the contracts prior to unionization."

In other action, the Board authorized the purchase of an eight-passenger electric car in order to assist persons desiring to make the ride to the top of the Gateway Arch, but are physically unable to make the long walk to the parking lot. The board also received a report that 60,589 persons made the trip to the top of the Nation's tallest monument during September.

Keep Pets Confined on Halloween, APA Advises

The Quad-City Association for Protection of Animals today advised local pet owners to keep animals confined during Halloween weekend to avoid their pets following youthful trick or treaters and becoming lost.

Mrs. Betty King of the local APA said an increased number of dogs is reported missing each Halloween night, especially those animals fond of children and inclined to follow them to school. Many stray their own neighborhoods and are never found, she pointed out.

GASP Anti-Litter Walk Planned Saturday

GASP, Group Against Society's Pollution, will hold an anti-litter walk Saturday through downtown Granite City to make local residents aware that their efforts can help stop pollution. The group's members will walk approximately 15 miles, attempting to pick up as much litter for recycling as possible. Sponsors are being sought to pledge a specific amount of money for each mile walked. Funds collected will be used for environmental projects and club activities.

Records Stolen

Eight long-playing records valued at \$33 were taken from the counter of John Fornaszewski's Music Store, Nameoki Road and Washington Avenue, at 11:28 a.m. yesterday while a clerk was waiting on customers. MADISON LITERARY OBSERVES 70TH YEAR

The Madison Literary Club celebrated its 70th birthday with a weekend luncheon at the Flaming Pit. Decorations were in green and white with a clock theme. Each place was marked by a crystal cup containing green and white mints. The decorations and program were planned by Mrs. Harry Johnson, Mrs. D. L. Kacaleff, Mrs. Marion Fogle, Mrs. Ray Gregg and Mrs. Elizabeth Deffenbaugh.

The group then went to the home of Mrs. George Thomas, Edwardsville, where a business session was held.

Following this, Mrs. Johnson introduced Mrs. L. C. Harlan, a member since 1910, who gave highlights on the club's work. The Matrons' Literary Club, as it formerly was known, was organized in the First Presbyterian Church, Madison, by Mesdames J. M. Harlan, Edna Allison, Louis Baer, J. R. Beale, Clara Coates, T. J. Hinde, G. R. Richardson, C. O. Shumway, J. A. Uffers and L. C. Vermillion.

Its purpose was to share in the civic, cultural and social growth of the community. Over the years, its members have participated in many programs in the city and district.

The history contains many awards and citations as proof of the endeavors. During all seven decades, a strong bond of friendship has existed among the members.

The members told incidents of their early lives and school days and commented on their favorite dresses. A display of early club yearbooks, awards and scrapbooks brought back many memories, members reported.

The hostess, assisted by Mrs. Mateyka, a guest, served dessert to Mesdames Ray Gregg, Kacaleff, Roy Hill, Mrs. Johnson, Mrs. Marion Fogle, Mrs. Ray Gregg, Mrs. Elizabeth Deffenbaugh, Mrs. Minnie McBride, Mrs. Grace Drickman, Marshalltown, Ia., a former member.

BAZAAR SUPPER NOV. 6 AT METHODIST CHURCH

The Women's Society of Christian Service met at the United Methodist Church. Final plans were made for the annual bazaar and chicken and dumplings supper at the church Nov. 6.

It was noted that Mrs. Harry Johnson was chairman of arrangements for ordination of Rev. Donald Bogue, planning the refreshments and decorating.

Mrs. Alice Thompson presented the lesson, "Living Through Change and Beyond Fear." Mrs. Gisela Gott gave the devotional and prayer.

Mrs. Barbara Radcliff and Mrs. Sue Bogue served refreshments to Mesdames Elsie McBride, Mayne Vallow, Hilda Withaus, Esther Draper, Erma Graves, Ann Ritter and Thelma Black, WSCS president.

Mrs. Nettie Gnojewski was hostess to the Po-Ko-Lo Club in her home. Members played games in the morning and afternoon and went out for lunch.

Mrs. Helen Hentzer was the day's winner. Others at the home were Mesdames Veronica Kula, Betty Allen, Hazel Swiger, Helen Krawickiewicz and Pat Gerkin.

SURPRISE GATHERING

Otis Bell was honored with a surprise birthday breakfast at Sunset Hill Holiday Inn. His daughter, Miss Juanita Bell, made the arrangements. Mr. and Mrs. Bell were greeted by members of the family. Those seated were Mr. and Mrs. Delmar Bell and son, Jimmy, Mr. and Mrs. Walter Cline, Johnny Mucho and daughter, Sharon, and son Joey, Ezra

SEVENTH BIRTHDAY

Brett Alan Williams celebrated his seventh birthday with a weekend party in the home of his parents, Mr. and Mrs. Donald Williams. Streamers and balloons decorated the party area.

Games were played and prizes were won by Tony Ledbetter and Steve Love. Others present were Jeff Hollowich, Allan Hudson, Terri Ledbetter and the honoree's sisters, Kimberly Ann and Shara Lea.

Gifts were opened prior to the serving of refreshments. The guests also were treated to party hats and balloons. Mrs. Williams was assisted by Mrs. Gail Ledbetter.

MISS BROWN HONORED

Miss Margaret Brown was honored upon moving into a new apartment at 143 Third St. The party was planned by Mrs. Harry Johnson and Mrs. Marion Lionberger and was held in the Lionberger home, 1513 Third St.

A good luck bell was placed by the door for each to ring and make a wish as she entered. Green tea was consumed as Mrs. Lionberger showed slides of her recent trip to the Orient.

Miss Brown was presented with a corsage of mums and a centerpiece of mums adorned the table.

Tea, cookies and punch were served to Mrs. Betty Ballentine and daughter, Sharon. Mesdames Mary Connole, Louise Ebersold, Edna Foster, Erma Graves, Amanda Hill, Barbara Radcliff, Ann Ritter, Mayne Vallow, Estelle McBride, Sue Bogue, Opha McMahon, Estelle McKimney, Helen Cook, Ruth Lionberger, Lois Moore and Thelma Black.

READING CLUB GUESTS

Mrs. Vivian Rowden was hostess to the Minerva Reading Club in her home, 1068 Lindell Blvd. Members arrived with covered dishes.

Those seated included two guests, Mrs. Farrell Rowden, sister-in-law of the hostess and Mrs. Joan Graklanoff, now residing in Rome, N.Y.

Others present were Mrs. Clova Taylor, Mrs. Helen Daley, Miss Ruth Bevil, Mrs. Shirley Rapoff, Miss Mary McBride, Mrs. Mary Stanfill, Mrs. Betsey Weiss, Mrs. Lenna Williams, Mrs. Judy Zeiselt and Mrs. Helen Holder, who was co-hostess.

The president, Mrs. Holder, presided and there were reports by Mrs. Berrie Weiss and Mrs. Mary Stanfill.

The program was presented by Mrs. Zeiselt on the Mormon Religion.

The November meeting will be held in the home of Mrs. Helen Mrs. Jessie Luer as co-hostesses. It will also be a tappy auction. Members' hand-made items, canned fruit and fresh baked items will be sold.

BRIDAL SHOWER FOR JOANNE GRAKLANOFF

The Venice Recreation Center was the scene of the bridal shower of Miss Joanne Graklanoff, daughter of Mr. and Mrs. Graklanoff, 42 Villa Drive. The miscellaneous shower was given by her relatives and relatives of the prospective groom, William Wayne, son of Mr. and Mrs. Robert Wayne of Wood River.

The young couple plans to be married Friday evening, Nov. 5, at St. Margaret Mary Catholic Church, Granite City. In keeping with the color scheme of the wedding, the gift table was decorated in pink and white. Pink and white streamers framed a bride doll.

A white and silver wedding bell candle flanked by crystal bud vases with pink roses and greenery decorated the table.

Assisting Miss Graklanoff were her attendants, Misses Jeanette and Linda Graklanoff, Diane and Cindy Pance and Cathy and Patti Pance and Mrs. Joan Graklanoff.

Guests were seated at tables adorned with crystal bud vases of pink roses and mums. The buffet table held vases of flowers and silver candelabra with pink tapers.

enjoy the convenience of new and improved color viewing with TOTAL AUTOMATIC COLOR SYSTEM by MAGNAVOX

complete with pedestal table

\$468

TAC is a complete electronic system that lets you kick the bothersome TV adjustment habit. It automatically keeps pictures sharp, flesh tones natural. No more green or purple faces — not when you switch channels, not when the scene changes. The new 19" diagonal measure Matrix picture tube, with a black opaque substance isolating each color dot, gives you a brighter, clearer, sharper picture. And — the Magna-Power chassis uses predominantly solid-state components for improved performance and increased reliability.

Spanish Film Tuesday at SIU-SW

A Spanish film, "Lazarillo del Tormes," will be presented at the SIU-SW campus Nov. 2 at 4:30 p.m. in Lovejoy Library auditorium. The public is invited, admission free.

Based on a novel by an unknown author, "Lazarillo del Tormes" is one of three foreign films being presented this quarter by SIU-SW's foreign language faculty. The second one will be in German, the third in French.

The Spanish film, with English subtitles, is a Berlin Film Festival award winner. It concerns an impoverished widow who gives her son Lazarillo, a traveling beggar. When the beggar proves to be a cruel master, Lazarillo runs away.

He aligns himself with a Sacerdot, who also proves neglectful and only interested in using the boy to his own advantage.

In a New York Times review, the film was described as "excellently photographed and ingeniously staged against a striking background of old world castles, villages and landscapes. The abrupt finale is cynical and terribly convincing. In a film that is imaginative, piercing and haunting."

The German film, "The Man Who Walked Through the Wall," will be shown Nov. 16. On Nov. 30 the French film, "The Blood of a Poet," will be presented by the SIU-SW foreign language faculty.

FIRE TRUCK RACES AT CUB

Cub Pack Eight held its monthly meeting Monday night at the First Presbyterian Church, with Cubmaster Don Gray in charge. Webelos members opened by leading the pledge of allegiance and a song. Mrs. Rowena Mikolaszuk is leader.

The pack held "fire truck" races on the pinewood auto derby track. The racing fire trucks were made by the scouts. Officials for the race were Ted Scrum, district scout commissioner, and Ron Luebner, cub scout roundtable commissioner.

Winning trophies were Leonard Bringer, third place; Terry Singleton, second; and Jimmy Frangoulis, first. All three are new scouts of Den Two. Webelos Jeff Warren won a trophy for "best design and appearance."

It was announced that the scouts are to bring canned

PACK EIGHT SESSION

goods to the next meeting, to be donated to needy families.

Bobcat pins were presented to Jerry Thomason, Paul Mikolaszuk, Kenneth Taylor, Terry Singleton, Leonard Bringer and Jimmy Frangoulis. Adult leaders who received training patches were Mrs. Sadie Bringer, Mrs. Rowena Mikolaszuk, Mrs. Lyn Frangoulis and Gray.

The cubby award was won by Den Two, led by Mrs. Bringer.

BRIDE-TO-BE. Miss Teresa McMurry, whose engagement to Jack Rippy, son of Mr. and Mrs. T. R. Rippy, 3030 Circle Drive, is announced by her parents, Mr. and Mrs. Leamon McMurry, 2457 Illinois Ave. Plans are being completed for a spring wedding.

Church Women Study Ceramics

The Every Member Busy Circle of the Nameoki United Methodist Church met Tuesday evening in the home of Mrs. Edna Vaughn, 2229 Shilene Ave., to learn the art of making ceramics. Assisting the hostess in teaching the fundamental of ceramic work was Mrs. Barbara Valencia.

A short business meeting was conducted by the chairman, Mrs. Ruth Hancock, with plans made to save law for the Coordinated Youth Services' "new born" clothing project.

Officers were elected and will begin their term of office on Jan. 1. They are Mrs. Helene Bischoff, chairman; Mrs. Mildred Nancy, secretary; and Mrs. Ida Mason, treasurer.

Mrs. Marsha Watson was named to serve on the nominating committee of Women's Society of Christian Service for a 3-year period.

Mrs. Lillian Briner will serve as hostess for the November refreshments.

Refreshments were served by the hostesses to those named and to Mesdames Ruth Seymour, Mary Jane Fester, Alma Cowan, Jane Patton, Pat Bernaix, Dorcy Luckert and Virginia Carroll.

Latin America Topic of UPW

"Where Tomorrow Struggles To Be Born" by Thomas Liggett was the subject of a program, presented by Mrs. William Lierman, at a meeting Tuesday evening of the First United Presbyterian Women held at the church.

In the presentation, Mrs. Lierman explained various aspects of Latin America in the transition period from colonial days to the present time.

Circle Five members led by Mrs. Catherine Parker were hosts for the evening and members and two guests, Mrs. Evelyn Nelson and Mrs. Mary Ann Holland.

Mrs. Virginia Rickert, president of the association, gave a tour of tables where Christmas articles made by the members were displayed, including dolls dressed for the Granite City Trust and Savings Bank's Christmas charity project.

Holiday Dinner For Golden Agers

Plans for a 6 o'clock Thanksgiving pot-luck dinner on Tuesday evening, Nov. 9, for members of the Kirkpatrick Golden Age Circle were completed at a meeting held Tuesday afternoon in the Kirkpatrick Homes recreation center.

Each member was asked to bring a vegetable or dessert dish to the holiday dinner party. Fifty-one members attended this week's meeting, which opened with prayer by the president, Lee McClell, who also led the pledge of allegiance.

Birthday observations during October were celebrated and games were played for entertainment. Those winning prizes were Mrs. Catherine Moser, Mrs. Carolyn Weber, Mrs. Molly Hutson, Mrs. Ethel Stark, Mrs. Ida Chapman, and Mrs. Mae Finley. A special prize was awarded to Mrs. Moser.

COUPLE NAMES IST JILL COLLYAR RAFTERY

Mr. and Mrs. Charles D. Raftery of Spanish Lake, St. Louis County, Mo., became the parents of their first child, a daughter, born Wednesday at Christian Hospital Northwest. The infant weighed six pounds, 15½ ounces and has been named Jill Collyar Raftery. The mother will be remembered as the former Miss Kathryn Merz of Granite City. Grandparents are Mr. and Mrs. Max S. Merz Sr., 2351 Lynch Ave., and Mrs. and Mrs. Syl Raftery of St. Louis County.

ANNOUNCE ENGAGEMENT. Miss Paula Borth and Ronald Strange, whose engagement and plans for a June wedding were announced this week by the parents of the bride-elect, Mr. and Mrs. Henry L. Borth, 2424 Terminal Ave. He is the son of Mr. and Mrs. Artie Strange of St. Louis.

Strange-Borth Engagement Told

The engagement and plans for a wedding on June 17 of Miss Paula Diane Borth and Ronald Strange were announced this week by the bride-elect's parents, Mr. and Mrs. Henry L. Borth, 2424 Terminal Ave. The prospective groom is the son of Mr. and Mrs. Artie Strange, 2813 Shenandoah St., St. Louis. He is employed at General Mercantile Warehouse, St. Louis.

Miss Borth will graduate from Granite City High School in 1972. She is attending Granite City School of Beauty Culture during her senior year.

ENGAGED. Miss Deborah Kay McCallister, whose engagement to Jack Baker is announced by her parents, Mr. and Mrs. Arthur L. McCallister, 2204 State St.

Miss McCallister Is Engaged

Mr. and Mrs. Arthur L. McCallister, 2204 State St., are announcing the engagement of their daughter, Miss Deborah Kay McCallister, to Jack Baker, son of Mr. and Mrs. Thomas E. Baker of Judsonia, Ark. Both young people are 1971 graduates of Granite City High School and are employed in St. Louis. Wedding plans are incomplete at the present time.

MINERVA CLUB PLANS HOBBY AUCTION NOV. 18

Plans for the annual "Hobby Auction" to be held Nov. 18, sponsored by the Minerva Woman's Club, were completed at a meeting of the club last week in the home of Mrs. Joanne Kraus, 2586 Spalding Ave. Mrs. Jo Anne Torrell, chairman for Education, introduced a special guest, Robert C. Glasier, executive director of KETC Channel 9, who addressed the group.

The president, Mrs. Pat Merz, conducted the business meeting and a mystery gift was won by Mrs. Clara Parker. Refreshments were served to 18 members by the hostess.

Save useless worry—live one day at a time and the future will take care of itself.

Alpha Xi Pins Pledges; Plans Halloween Party for GCAR Teens

A jewel pinning ceremony for new pledges, Mrs. Carol Grimm and Mrs. Connie Grapas, was conducted Tuesday evening by Alpha Xi Chapter of the Epsilon Sigma Alpha Sorority.

Members met at Ravanelli's Restaurant in American Village Shopping Center prior to the pinning ceremony and social evening at the home of Mrs. Mary Modica on Emert Avenue.

Mrs. Mary Firtos, president, was in charge and presented the new members their sorority pins.

Also honored were Mrs. Joyce Albers and Miss Betty Bucatch, both of whom were awarded 15-year service pins by Mrs. Gerry Mendez, Mrs. Firtos was named the chapter's "Outstanding Girl of the Year" and received a special award.

Plans were completed to host a Halloween party for handicapped teenagers associated

Supreme Meeting Is Chapter Topic

Mrs. Virginia Harod of Chapter KC, P.E.O., Belleville, gave an informative account of the convention of Supreme Chapter P.E.O., held in Detroit, Mich., earlier this month, at a meeting Monday afternoon of Chapter HT in the home of Mrs. Mary Wilson, 1306 Twenty-seventh St.

A dessert luncheon was served by the hostess to 15 members and three guests. Also guests were Mrs. Georgia La-throp of Robinson, Ill., and Mrs. Ada Duttonbrink of Chapter BF of Oklahoma City, Okla. The next meeting will take place Nov. 8 in the home of Mrs. Janice Kohl, 2340 Gary Ave., to observe the birthday of Chapter HT.

HORNBERGERS RETURN FROM KANSAS VISIT

Mr. and Mrs. Harry Hornberger, 2424 Delmar Ave., returned home Tuesday after spending four days visiting with their son-in-law and daughter, Professor and Mrs. Wallace Behrhorst and family of Winfield, Kans. He is a professor at St. John's Lutheran College. While away they attended a play, "The King and I," produced by the Winfield Community Theater Group in which the Hornbergers' oldest grandson, Carroll Behrhorst, had a leading role.

800 ATTEND OPEN HOUSE AT NIEDRINGHAUS SCHOOL

"Open House" at Neidringhaus School attracted over 800 parents Tuesday night, who viewed their children's achievements in gaily decorated classrooms.

In the New Learning Center, equipment and techniques used to help each child enrolled at the school were displayed. Also inspected by the parents were the physical education department, library and music rooms. Refreshments were served in the cafeteria by members of the Niedringhaus PTA unit.

Her fiancé is a juvenile probation officer with the Third Judicial Circuit of Illinois and attends SIU-SW. It's true—the world's a stage, and most people want to occupy the critic's seat.

Local Women Win Honors At TOPS 5-County Rally

A graduation rally and presentation of awards to individual members and weight clubs sponsored by the Take Off Pounds Sensibly (TOPS) of the Southwestern Illinois Keep Off Pounds Sensibly (KOPS) organization was held during the weekend in Madison.

About 250 members, representing 26 clubs in five Illinois counties, attended the day-long session and an evening banquet at the Pelish Hall in Madison. Mrs. Pat Getz served as mistress-of-ceremonies.

The tables were decorated with attractive floral arrangements, later presented as centerpiece gifts to leaders of various clubs, and each place setting was marked with a miniature fan favor. A Japanese tea garden setting was the overall theme.

Mrs. Virginia Cotter was crowned "Rally Queen" and presented a tiara, a bouquet of roses and a trophy marking her loss of 124 pounds while a 4-year TOPS member. The award winner is a member of the local Whittle By Whittle TOPS Club.

Each TOPS club created and displayed a banner to compete in one of three categories in a special pennant judging contest. Serving on the panel of judges were Mrs. Harriet Lovins, Mrs. Charlotte Bilbrey, Mrs. Doris Stotz and Mrs. Lenora Williams, all members of the Press-Record's correspondence staff.

Selected as the overall "grand champion" banner was a pennant entered by the Collinsville 592 TOPS Counters Club.

Best "Losers" Award Prizes awarded to the "best losers of 1970" went to KOPS of Long Standing Club and Mrs. Dorothy Donahue from Whittle By Whittle Club named the summer's best weight loser.

The club recording the greatest weight loss during the summer months was TOPS Trimming Women. The local Whittle By Whittle TOPS group was recognized as the club displaying the best costumes at the rally.

The Century Medallion, awarded for losing 100 pounds and maintaining the loss for at least one year, was presented

RALLY QUEEN. Mrs. Virginia Cotter of Granite City, who won acclaim and highest award after losing a total of 124 1/2 pounds. She was honored at a 5-county TOPS-KOPS rally in Madison.

to Mrs. Pat Polo of Whittle By Whittle Club by Mrs. Christel Grate on behalf of the founder of TOPS Clubs, Inc.

Entertainment for the day's activities was provided by the Kitchen Band from Scale Blazer TOPS Club and a square dancing segment by the Ship Shape TOPS Club. Graduation exercises were also held for 16 KOPS enrollees.

Among the guests were TOPS area supervisor, Mrs. Christel Grate and her husband, Lynford Grate, who is assistant supervisor, Moline, Ill.; and Mrs. Shirley Herrell, assistant supervisor and her husband, Lynn Herrell, West Frankfort, Ill.

Sponsors of the TOPS rally were area supervisor, Mrs. Peggy Hackney and her husband, Ellis Hackney Jr., the area men's supervisor. The Hackneys are Granite City residents.

Eileen Wolke Becomes Bride of John Yobby

The wedding of Miss Eileen Wolke, a daughter of Mr. and Mrs. Herman J. Wolke, 207 Seventh St., Valley City, N. D., and John Yobby, son of Mr. and Mrs. John J. Yobby, 204 Iowa St., was solemnized in an afternoon ceremony Oct. 23 at St. Joseph Roman Catholic Church.

The Rev. Martin Mangan officiated at the 2 o'clock ceremony. White satin bows and flowers decorated the pews, and lighted tapera in white candelabras illuminated the church for the bridal procession.

For her wedding, the bride chose a gown ensemble featuring a slender, sleeveless dress with belted back and an open frock coat. Designed with a long train, trimmed with silk organza applied flowers from Switzerland, the gown was created of white Duchesse satin imported from Holland.

A fingertip length veil of silk illusion was held in place by a cluster of flowers, and she carried a prayer book centered with a white orchid and tied with long white streamers.

Miss Phyllis Miller was maid of honor serving with Miss Ellen Tippett, Miss Janice Scanlan, Mrs. Nancy Rydz and Mrs. Dianna Durbin, bridesmaids.

All of the attendants were gowned alike in white crepe sheath style dresses, designed with long full chiffon sleeves.

cuffed at the wrists, and a face framing white chiffon hood that folded down into a soft collar. Their skirts were floor length and they carried muffs fashion of green ivy and yellow carnations.

Little Tina Baranica, flower girl, wore a frock similar in style to the older attendants and she carried a basket of flower petals. Stephen Petrulich, a nephew of the groom, was the ringbearer.

Ronald Schmidt was best man and Stephen Rydzig, Tony Modrusic, Elmer Voegeli, Lawrence Yobby, the groom's brother, George Wolke Jr., a cousin of the bride, and Stephen Timko, the groom's cousin, served as groomsmen and ushers.

A reception was given at the Venice-Madison American Legion Hall following the ceremony.

The former Miss Wolke was graduated from St. Catherine's High School and Valley City State College, Valley City, N. D. She is employed as a teacher in the Collinsville School District.

Mr. Yobby is a graduate of Assumption High School and St. Louis. He is employed at Granite City Steel Co.

MR. AND MRS. JOHN YOBBY. They were married Oct. 23 at St. Joseph Roman Catholic Church. The bride is the former Miss Eileen Wolke, daughter of Mr. and Mrs. Herman J. Wolke, Valley City, N. D. The bridegroom is a son of Mr. and Mrs. John J. Yobby, 204 Iowa St.

Household Topic For Chapter KU

Mrs. Elizabeth Rea was in charge of the program Monday evening for Chapter KU of the PEO Sisterhood. Seventeen members attended the session at the home of Mrs. Leonard Davis, 3728 Fair Oaks Drive.

Problems concerning the individual household or incidents relating to normal, everyday living were topics explored in the discussion program led by Mrs. Rea. Answers provided by members were reviewed and discussed.

Mrs. Jo Ann Burckly, president, conducted the business meeting in which preliminary plans were made for the chapter's birthday celebration Nov. 22. An anniversary party is planned.

At the club's Nov. 9 meeting, Mrs. Iva Ringger of Wood River will summarize events at the Sisterhood's supreme convention held recently at Detroit, Mich. The November session will be with Mrs. Roy Hulise, 2804 Fortune Drive.

MRS. STEPHENS HOSTESS TO AC-S CARD CLUB

Mrs. Pauline Stephens, 2640 Madison Ave., entertained members of the AC-S Pinch Club Tuesday night. The hostess used a Halloween theme to decorate the home and dining table.

The winning prizes were Mrs. Carrie Hart, Mrs. Sue Kruger, Mrs. Ruby Hornberger and Mrs. Gladys Schuetz.

Others attending were Mesdames Elvira Thurber, Lillian Naeve and Creole Warnhoff. Mrs. Warnhoff will be hostess for the November meeting at her home, 530 Jefferson St., Venice.

'BOSS OF YEAR' Elroy Rule (second from left) by the Tri-Cities Chapter, Lady of the Snows Shrine, chosen 'Boss of with previous award winners. Left to right, David Read, 1970; Rule, Mrs. Mary Sekel.

Quad-City Girl Scout Leaders Are Honored at Annual Dinner

District Four Girl Scout Leaders of the River Bluffs Council held their annual recognition dinner at St. John's United Church of Christ Tuesday evening, with 100 present.

Coordinators of the event were Mrs. Phyllis Brusatti and Mrs. Peggy Mangan of Neighborhood Four. Mrs. Denise Schmitz gave the invocation.

The program opened with the pledge of allegiance and two scout promises. Mrs. Mangan introduced special guests for the evening, Mr. and Mrs. Verie Kins (Kins is executive director executive of the council); president, Mrs. Billi Laumbatus; vice-president, Mrs. Elaine Sprague; district advisor, Miss Judy McCarthy; district chairman and her husband, Mr. and Mrs. David (Diane) Hessel; treasurer, Mrs. Doris Votaw; former district chairman, Mrs. Virginia Marlette; associate member, Mrs. Ruth McCarthy; and Mrs. Arline Brinkmeyer, who is on the camping development program committee.

Mrs. Mangan expressed appreciation to neighborhood representatives who assisted with the program.

She introduced the neighborhood chairmen who presented service pins to their leaders: Mrs. Linda Noid; Two, Mrs. Doris Wood; and Mrs. Margaret Barton and

Mrs. Lynn Krug; and Three, Mrs. Doris Stotz.

Twenty-year pins were awarded by Mrs. Stotz to Mrs. Helen Santagato and Mrs. Judy Stille; 15 years, Mrs. Joan Oram, Mrs. Marcella Obranovich, Miss Sheila Obranovich and Miss Linda Polette; 10 years, Mrs. Pam Johnson; and five years, Mrs. Eva Arbogast, Mrs. Carzen Grider, Mrs. Marcia Baster, Mrs. Rosemary Wilson, Mrs. Jo Ann Jarrett and Miss Mary Vetter.

Mrs. Stotz also presented a certificate of appreciation to Miss Vicky Yetter for her continued service to the special education troop of which Miss Yetter is leader.

For Neighborhood Four, Miss Carolyn Votaw presented awards: 25 years, Mrs. Mary Jane Bess, Mrs. Frances Holt and Mrs. Votaw's daughter, Carolyn; 10 years, Mrs. Wanda MacDonald and Mrs. Jean Wood; and five years, Mrs. Brusatti.

In Neighborhood Five, Mrs. Wilma McQuinn presented awards: 25 years, Mrs. Brinkmeyer; 20, Mrs. Sarah Smith; 15, Mrs. Sharon Morris, Mrs. Judy Orizer, Mrs. Sandy Zarda and Kathy McCalla; 10, Mrs. Betty Tester; and five years, Mrs. Cheryl Humphreys, Mrs. Brenda Palmer, Mrs. Charlotte Rapp, Mrs. Marie Stone and Lon Stone.

Mrs. Hessel presented a campership fund, established by the five neighborhoods in honor of a deceased member, to Mrs. Laumbatus and she also made presentations to the families of Elizabeth Dehn of Neighborhood Three and Kathy Bruce, Neighborhood Two, both of whom passed away recently.

Mrs. McCarthy, Mrs. Marlette, Mrs. Votaw and Mrs. Brinkmeyer told of their experience while on a council-sponsored European caravan in August. Each representative showed slides of various countries visited.

The tables were decorated in a patriotic theme in red, white, and blue with floral centerpieces and small American flags. On one table was an Uncle Sam hat in which the leaders placed their troops' donations to the Juliette Low fund in honor of the founder of the Girl Scout movement in America. Each troop in the nation gives to the "dimes for Daisy" fund on Miss Lowe's birthday, Oct. 25.

Centerpieces were awarded to Mesdames Sue Lewis, Jeanine Stephano, Linda Spahn, Mary Earls and Marguerite Rody and Misses Mary Velloff and Linda Polette.

Boys Suspected In Truck Vandalism

Vandals caused extensive damage to the pickup truck of Evelyn Carroll, 2035 Sherman Ave., while it was parked at her home, she reported Monday. Three boys, two 11 years of age and the other 13, were seen playing on the truck prior to discovery of the damage. Names of the boys were referred to juvenile authorities. The windshield and right door window of the truck were broken as were the taillights and signal lights. The rear view mirror was broken and wiring under the dashboard was pulled loose.

Items Worth \$120 Taken From Car At Lanes

Items valued at approximately \$120 were taken from the car of John Bowwell, 2143 Washington Ave., at 9:40 p.m. Monday in the parking lot of Tri-Motor Bowl, 3701 Nameoki Road. The right front window of the car was broken. Taken were a 32-caliber automatic pistol worth \$65, a box of shells valued at \$6, a \$28 bowling ball and a \$10 bag and a \$13 pair of bowling shoes.

Plan Nov. 18 Bazaar

The Madison Senior Citizens Club is planning a Harvest Bazaar to be held Thursday, Nov. 18, at the Madison Recreation Center. Members are making items to be sold at the event. Details of activities planned in connection with the bazaar will be announced soon.

Business Tax Reform To Be Meeting Topic

The National Committee for Small Business Tax Reform will hold a luncheon meeting for all businessmen of the area at Augustine's Restaurant, Belleville, at noon, Friday, Nov. 5. Ken Anderson, president of Artex International, Inc. Highland, is chairman of the meeting. The purpose of the meeting is to acquaint all small businessmen in the metropolitan area—including eleven (11) Illinois counties—with the Small Business Tax Simplification and Reform Act of 1971, as introduced in Congress, and what the passage of this legislation means to them.

The non-profit, non-partisan National Committee intends to enlist the aid of all small businessmen in the drive for enactment

Car Damages Park Lawn; Driver Is Charged

Russell Mahoney, 2033 Fifth St., Madison, was charged with driving too fast for conditions and having no valid driver's license after his car struck a culvert at the end of Edison Avenue at Wilson Park, jumped the curb and damaged 216 feet of grass in the park at 1:30 a.m. Tuesday.

Police reported there were 86 feet of skid marks on Edison Avenue and through the 27th Street intersection to the culvert.

Regional Report--Area Airport, Lake Park, Downtown Mall

(Illinois Metro East Industrial Development Corporation)

It was a good week for the proposed project. During a visit to St. Louis, U. S. Secretary of Transportation John Volpe rejected the McDonnell-Douglas Corp. contention that Lambert-St. Louis International Airport could serve the area for another 20 years.

Volpe reassured that government studies indicate additional airport capacity will be needed in the area by 1980. He also reiterated that, although the location of an airport is in the first instance a local decision, the final decision is in the hands of the federal government.

In another St. Louis press conference, U. S. Senator

Charles Percy, R-Ill., endorsed an Illinois site for the new metropolitan airport. The airlines, according to an airline spokesman, favor the Illinois site because Illinois has moved to build the new airport.

In Missouri, at public hearings being held by the St. Louis Metropolitan Area Airport Authority, proponents of the Waterloo regional planning, pointed out that competition between local areas is not logical because it is based on artificial boundaries. The Illinois site is needed to keep the metropolitan area balanced.

Swift & Co. has opened its new pork processing plant at National Stockyards, Ill. The new facility will eventually employ about 425 persons and have processing capacity of more than 1,000,000 hogs a year.

In addition to pork, the multi-million dollar plant will produce animal protein feeds and will have continuous fat rendering facilities.

In other industrial development news, Ralph Morris, director of Illinois Metro East Industrial Development Corp., announced that the Johnsville Madison roofing plant has been sold to Madison Street Terminal Warehouse Corp. of St. Louis, which has taken possession of the plant for warehouse purposes.

Frank Vickery, president of O'Beir Netting Glass Co. of St. Louis, has denied rumors that his firm intends to move from the city.

A partnership has been formed between Codeca, Inc., mobile home developers of Edwardsville, and the Wickes Corp. of Saginaw, Mich., construction and sale of housing. Shell Oil Co. has notified about 100 people employed at its Wood River laboratory of plans to move most research headquarters to its new world headquarters in Houston, Tex., by 1975.

In news of third-quarter earnings, Monsanto Co. announced a 51% gain in net income from operations while sales rose 8%; Owens-Illinois, Inc., reported improved quarterly earnings with sales reaching a record high; Olin Corp. reported gains in both net profits and sales; and Alton Box Board, while reporting a net loss in the third quarter of \$242,000, or 27 cents a common share, recorded an increase in sales.

The East-West Gateway Continuing Council has endorsed the Southwestern Illinois Metropolitan Area Planning Commission's application requesting federal assistance to prepare a fully-developed Water Quality Management Plan for the Illinois position of the metropolitan area. Swinape is requesting a 50% federal matching

grant from the Federal Environmental Protection Agency.

In other action, the Gateway Council's executive advisory committee endorsed several Illinois projects—an application by St. Clair County for funds to help develop an 83-acre park in Madison Township; a preliminary application for federal matching funds to start building for a new state park in Madison County; a preliminary application for a \$212,500 federal grant for a Caseyville Township sewage system; and two highway projects worth a total of more than \$5.8 million.

The St. Louis Regional Industrial Development Corp. began a vocational-technical education drive. The eight-month drive, aimed at channeling more high school graduates into jobs, complies with a new impetus being put on technical training by the federal Office of Education.

In general area news, Tom Wolcott has been appointed project planner for Monroe and Randolph Counties by the Southwestern Illinois Metropolitan Area Planning Commission.

Preliminary funds for a downtown mall in Granite City were allocated by the City Council. Custom Music Corp., a St. Louis-based electronic equipment firm, will open a stereo center in East Alton about Nov. 1. And this region is among the areas being considered for the location of one of five new prisons proposed by the Illinois Department of Corrections.

Skubish, Eads, Balogh, Summers, Hawk, Lisac Retire from GC Steel

Three of 15 new retirees at Granite City Steel Co. narrowly missed serving half a century apiece with the company. They are Granite Cityans Mike Skubish (49 years), Grant Eads (48 years) and Barney Hawk (47 years). They are among nine Granite Cityans included in the group of 15 who retired within the past month.

Skubish retired as plant police chief after 49 years with GCS, starting as an open hearth door puller. He and his wife, Frances, live at 3421 Lydia Lane, Granite City. They have two daughters and three grandchildren. Skubish enjoys fishing, woodworking and cabinet work.

Eads and his wife, Essie, live at 4009 North St. A basic oxygen furnace engineer, he started in the open hearth in 1923. The couple has one son. Eads is a beagle fancier and owns three beagle pups. He plans to do a lot of hunting during retirement, in addition to showing the beagles.

Hawk, who started as a checker in the old plate mill 47 years ago, was a specification and process metallurgist in the department of metallurgy and quality control. He and his wife, Essie, live at 3131 Princeton Drive. She is also a Granite City Steel employee, serving many years as food service supervisor. They have one son.

Steel Pourer, Pipefitter Charles Balogh, 2912 Faith Ave., also had long service, retiring as BOF steel pourer after 45 years with the company. He and his wife, Ruby, have five daughters and 18 grandchildren. Balogh enjoys working around the house, and his retirement

plans include keeping his property in good order.

David Crawford, 4137 North Drive, retired as North Plant maintenance pipefitter a 11er after more than 20 years of continuous service. He also had a previous period of service of 15 years with GCS. He and his wife, Irene, have four children, eight grandchildren and one great-grandchild. Crawford retired as fish, hunt and do some gardening.

Andy Lisac retired on disability from the BOF after more than 42 years of service with the firm. He and his wife, Rose, live at 2909 Maryville Road. They have two daughters, one son and two grandchildren. Lisac enjoys watching TV, especially sports events.

Bill Simmons is another retiree from the BOF department, retiring on disability as a crane man after 21 years of service. He and his wife, Irene, live at 2908 Roosevelt Ave. They have three daughters, one son and four grandchildren. Simmons enjoys attending church and he also plans to do some fishing.

John Summers, 2233 E. 24th Street, retired as North Plant galvanize warehouse corrugator helper after 45 years with GCS. He was in the same department for his entire career.

He and his wife, Susan, have no special plans, although Summers likes to fish and to watch sports events.

Clifford Williams, 2424 Madison Ave., retired on disability as machine shop welder after 30 years of service with the company, totaling 35 years. He and his wife, Bernice, plan to raise vegetables and cattle on their acreage at Creal Springs. He retired as BOF ladle crane man after nearly 31 years of GCS service. The family includes a son, a daughter and four grandchildren. Piquard likes to hunt and fish.

Sirovnik retired on disability as cold strip millwright with almost 22 years of service. He and his wife, Nellie, have a son, a daughter and one grandchild. Although limited in his activities, Sirovnik enjoys fishing, hunting and camping.

wife, Mary, have two sons and one grandchild.

Williams enjoys fishing, hunting and yard work.

The six from outside the Quad-Cities who retired include Russell Britt of Padgett, Mo., Glen Hinchcliff of Marysville, Ill., Mike Krivi of Mount Olive, Ill., "Shorty" Neumeister of Harold, Ray Piquard of Creal Springs and Rudy Sirovnik of Collinsville.

Metallurgical Assistant Britt retired as special assistant to the president in the metallurgical matters after 15 years of service with GCS. He started as a customer contact man in the department of metallurgy and inspection. He and his wife, Mary, have two sons, a daughter and 10 grandchildren. Britt likes fishing, gardening and traveling.

Hinchcliff retired as blooming mill heater, having served for more than 34 years. He and his wife, Daisy, have five daughters, one son and 11 grandchildren. Hinchcliff enjoys hunting and fishing and also will spend time gardening on his five-acre tract at Marysville.

Krivi, a hot strip coil location service crewman, retired after 20 years. He and his wife, Viola, have one daughter. Krivi enjoys watching football and baseball on TV.

Neumeister retired as machine shop millwright a 11er almost 21 years of continuous service as well as a previous period with the company. He has two sons and five grandchildren. Neumeister plans to pursue his favorite activities—hunting, fishing and gardening.

Piquard and his wife, Bernice, plan to raise vegetables and cattle on their acreage at Creal Springs. He retired as BOF ladle crane man after nearly 31 years of GCS service. The family includes a son, a daughter and four grandchildren. Piquard likes to hunt and fish.

Sirovnik retired on disability as cold strip millwright with almost 22 years of service. He and his wife, Nellie, have a son, a daughter and one grandchild. Although limited in his activities, Sirovnik enjoys fishing, hunting and camping.

Burglars Enter Home
Burglars entered the home of Virgil Copeland, 2805 Edwards St., and took a \$60 radio, \$15 cash and a metal box containing savings bonds and assorted papers, the owner reported at 3:50 p.m. Monday.

Entry was gained by forcing the garage door, breaking a window on the back porch and breaking the glass in the door to the house. All rooms in the home were ransacked.

\$700 in Tools Stolen
A tool box and approximately \$700 worth of tools were taken from the garage at the home of William Worthen, 2448 Edison Ave., the owner reported to police at 6:50 a.m. Tuesday. Wires connecting a burglar alarm in the garage to a warning device in the house were cut. Entry was gained by prying the lock from the garage door.

Proposed 'Free' Site for State Building More Pleasing to the Public, Donor Says

Location of a proposed new state office building on a site overlooking a large lake and a beautiful park, would be far more pleasing to the public than one located in a "congested downtown area," William Nichols, who has extensive land holdings in the Horseshoe Lake area, has told Governor Richard B. Ogilvie in offering to donate to the state sufficient land for such a building.

Nichols, who also operates the Nichols Net & Twine Co. on Bend Road, proposed in a letter sent to the governor Monday that a new state office building now scheduled for construction in downtown East St. Louis be built instead on land which Nichols would donate on Route 111 at State Aid Route 35 adjacent to Lakeside Airport.

In addition, Nichols said he would plot and survey the land and would give the state acreage of value equal to the cost involved in purchase of the East St. Louis site, which is across the street from the present City Hall building at Broadway and Collinsville Avenue. "I am sure this would effect a great savings to the citizens of the state of Illinois," Nichols told the governor.

Text of Letter

His letter to the governor said: "It has come to my attention through the newspaper media that the state of Illinois has been searching for a site on which to place the new regional state office building. Apparently the state wishes to put the building in or near the city of East St. Louis, Ill.

"I have a proposal to offer which would place the building equidistant from a number of communities midway between the major interstate highways on the intersection of Highway 111 and State Aid Route 35, and in an area overlooking the new proposed Horseshoe Lake State Park.

"In fact, the only separation of the state park boundary and the proposed (building) site would be the width of two additional lanes. The site affords excellent utilities, buildings would be right at the main access point to the state park site, within three miles of Granite City, four miles from Collinsville and eight miles from the Southern Illinois University campus at Edwardsville, and approximately four miles from East St. Louis.

Hub of the Wheel

"Excellent transportation is afforded from all of these municipalities and the location would be at the hub of the wheel.

"The citizens of Belleville, Troy, O'Fallon, Maryville, Wood River and Alton would be in an excellent position to commute to the state building without the hazard of fighting traffic congestion on the highways.

"I propose donating this site to the state of Illinois in an equal amount of acreage which would be needed to purchase in downtown East St. Louis, and I am sure this would effect a great savings to the citizens of the state of Illinois.

"I also feel that a greater number of people would benefit from the ease of access and

also by accessibility to the proposed Horseshoe Lake Park. An office building overlooking a large lake and a beautiful park would certainly be more pleasing to the general public than one in a congested downtown area.

"Since this area is in a rural mail delivery district, I am sure that the mailing address could be extended from East St. Louis, and the city of East St. Louis would still be the recipient of the honor of having the state office building in East St. Louis.

"If and when you decide to accept my donation, feel free to call upon me and I will survey and divide the necessary plot. The fact that a landing strip is adjacent to the property would further enhance its accessibility and desirability."

Two Beating Victims Plan to File Charges

Two youths who reported they were beaten during the weekend were reported improving at St. Elizabeth Hospital yesterday. The two youths, Michael Tucker, 17, of 2162 State St., and Jack Gallia, 19, of Rural Route One, Granite City, suffered internal injuries.

Tucker said he and Gallia will file charges against their assailants, two men about 30, who attacked them in the Clark service station lot at 20th Street and Madison Avenue as the boys were sitting in their car. A third youth, Don Gallia, 17, was not harmed.

Veterans Administration Opens New Drug Centers

Ten additional Veterans Administration Drug Treatment Centers have been opened since Oct. 1, it has been announced by Donald E. Johnson, Administrator of Veterans Affairs.

Openings of the 10 new centers completes the six-fold increase in VA drug treatment facilities — to 32 centers — in keeping with President Nixon's June 17, 1971, message to Congress in which he described the drug abuse problem in America as having assumed the dimensions of a national emergency.

Administrator Johnson noted that as a part of the attack on drug abuse, the President asked Congress to increase the VA budget by \$14,000,000 "to permit the immediate initiation of this (VA) program." With extra money, Johnson said, VA has available in its current budget \$17,162,000 for its drug rehabilitation programs in fiscal year 1972.

"This money will be used exclusively for VA drug treatment programs, and the highest priority has been assigned to the staffing for these programs, and their maximum possible utilization by veterans," Johnson added.

The 10 centers just formally opened are located in VA hospitals at Brooklyn, Denver, East Orange, N. J., Indianapolis, Little Rock, Omaha, Philadelphia, St. Louis, Topeka, Kan., and Vancouver, Wash.

VA had only five drug treatment centers in operation prior to last July. These are located

in Washington, D. C., New York City, Houston, Battle Creek, Mich., and Sepulveda, Calif.

Other VA centers have been established in the past three months in Baltimore, Boston, Buffalo, N. Y.; Syracuse, N. Y.; Salem, Va.; Miami, Fla.; Oklahoma City, Minneapolis, Brecksville, Ohio; Chicago, Pittsburgh, Pa.; Iowa City, Iowa; Palo Alto, Calif.; and Salt Lake City.

Although most of the workload will be handled in the 32 specialized drug treatment centers now open, Mr. Johnson pointed out that drug treatment will also be offered in many of VA's 166 hospitals, as it has been in the past. Physicians and other allied health personnel from 28 of these health hospitals already have received training at the Palo Alto hospital in the newest treatment methods for drug dependence patients.

Administrator Johnson said a wire had been sent to all VA Hospital Directors ordering that all eligible veteran applicants for hospitalization because of drug dependence be classified as "medical emergencies" and be admitted to the hospital at once. The wire added, "If a patient, after admission, requires service not available at the admitting hospital, prompt arrangements will be made for transfer to another VA hospital which can provide the needed care."

Newcomer Fashion Show Among Most Popular October Events

NEWCOMERS CLUB STYLE SHOW models (left to right) Mary Jane Hart, Darrel Foste, Pam Hassler, Faith Holsinger, Lisa Gendron and Sharon Druse. Also

participating were Donna Warren and Bob Massman. Mrs. Sarah Repp was general chairman.

The "300" Room of Tri-Mor Bowl was the scene of one of the most popular Quad-City October events, the Newcomers Club card party and style show. The club president, Mrs. Arla Ault, welcomed all and intro-

duced the general chairman, Mrs. Sarah Repp. Commentator for the show was Mrs. Louise Williams, who described outfits modeled by Mary Jane Hart, Donna Warren, Lisa Gendron, Faith Hol-

singer, Sharon Druse, Pam Hassler, Darrel Foste and Bob Massman. Fashions were provided by the Stephanie Shop, Trattler's Men's Store and Gamm's Fashion Outlet Shoes. Organ music for the show was

provided by the Jack Johnson Music Store. Program books listed the committee chairmen, models and the stores providing gifts. Guests were served from a dessert bar, which was decorated with a fresh fruit basket and two floral centerpieces.

Table favors were parcels of items from Rozzycki Realty, Merle Norman, Avon, Tri-City Grocery, L and W Moving, First Granite City National Bank,

Southwestern Bell Telephone Co., Holsinger Agency, First National Bank of St. Louis, Clean Craft Cleaners and Kos-Got. All proceeds from the event will be used for the organization's charitable work.

Charlotte Sue Mathis, Gary E. Sundstrom Wed

Miss Charlotte Sue Mathis, daughter of Mrs. Angie Mathis, 4005 Vesce Ave., and the late Walter E. Mathis, and Gary E. Sundstrom, son of Mr. and Mrs. Edward A. Sundstrom, Palos Park, Ill., were united in marriage Oct. 23 at Niedringhaus United Methodist Church.

The Rev. Roy L. Baugh, pastor, officiated at the afternoon ceremony. The altar was banked with flowers in autumn colors and the standards of the lighted candles were entwined with white satin bows, a single yellow mum and greenery.

Before the ceremony, Mrs. Russell West, organist and cousin of the bride, gave a recital of wedding music. She also accompanied Patsy Maby as he sang, "Whither Thou Goest" and "The Wedding Prayer."

Given in marriage by her uncle, Carl Scheller, the bride wore a dress of white satin featuring a scooped neckline and bishop sleeves with deep cuffs edged with Venice lace. Venice lace was repeated on the Empire bodice, extended down the front of the A-line skirt and formed the hemline. The attached train fell from the Empire line into a soft sweep.

Her bouffant shoulder length veil was secured to a Juliet cap trimmed with Venice lace and seed pearls and she carried a cascade bouquet of white roses, stephanotis, baby breath and ivy.

Attendants were Mrs. Kerry Pomeroy, matron of honor, and Miss Judy Grant, bridesmaid. They were dressed alike in floor length gowns with long puffed sleeves, ruffled collar and boleros of ivory Val lace with brown silk skirts.

A cash of Aztec embroidered braid marked the waistline and hemline flounce and each wore a bow of Aztec embroidered braid as a headpiece. The flowers were crescent bouquets of yellow and bronze poppies with accents of orange spider mums.

The groom chose Terry Sheehan as best man. His brother, Dennis Sundstrom, was groomsmen and assisted Kerry Pomeroy in seating guests prior to the ceremony.

Miss Fran Hollister presided over the guest book at the reception held immediately following the ceremony in Wesley Hall.

A rehearsal dinner was given Friday evening at the Holiday Inn in Bridgeport, Mo., by the groom's parents.

Mrs. Mathis entertained members of the wedding party and families of the couple at a dinner party Saturday evening at John Henry's Railroad restaurant in St. Ann, Mo.

For her daughter's wedding, Mrs. Mathis chose a costume of apricot silk and the groom's mother was dressed in blue silver lame. Their flowers were sunburst sweetheart roses with baby breath.

The former Miss Mathis graduated from Granite City High School and SIU-Carbondale. She is a member of the faculty at Jefferson Junior High School, Villa Park, Ill., where she teaches girls' physical education.

Mr. Sundstrom graduated from Carl Sandburg High School, Palos Park, Ill., and SIU-Carbondale. He is purchaser for National Can Co., Chicago.

The newlyweds will be at home in Four Lakes Village, Lisle, Ill., after Nov. 1.

Out-of-town guests were Mr. and Mrs. Don Fenstermaker, Mr. and Mrs. Harold Horsley and Mrs. Cora Aulabaugh, Alton; Mr. and Mrs. H. H. Stephens, Robert Stephens, Miss Judith Stephens, James Stephens, Mr. and Mrs. E. A. Sundstrom and Dennis Sundstrom, Palos Park, Ill.; Terry Sheehan, Oak Lawn, Ill.; Mr. and Mrs. Douglas West, Carroll, Iowa; George A. Backley, Newark, N. Y.; John Rotter, Edwardsville; Miss Sharon Fanning and Sam O'Donnell, Carbondale; and Mrs. Robert Podert, St. Charles, Ill.; Mrs. William Minark, Mrs. June Juedemann, Mr. and Mrs. Earl S. Mathis and Mr. and Mrs. Carl Scheller, St. Louis; Mrs. Janice Mason, Sherman Mason, Miss Robert Bush, Troy; Mrs. Lenora Hawks, Greenville; Mr. and Mrs. Ken Besse, Freeburg, Ill.; Miss Mary McCarty, Champaign; Mr. and Mrs. Larey Krapelin, Murphysboro; Mr. and Mrs. Gary Hart, East Alton; Mr. and Mrs. Ron Gerding, River Grove, Ill.; Mrs. Juanita Hester, Mount Vernon; Mrs. Lanelle Knoke, Cincinnati; and Miss Fran Hollister and Miss Jane DePodesta, Joliet.

Sweet Adelines Plan Benefit

The Collinsville Chapter of Sweet Adelines Show is progressing. The show will be at the Webster School Auditorium on Nov. 20, at 8 p.m.

For the past two years proceeds from the show have been donated to the proposed Collinsville-Edwardsville Hospital and the membership has again vowed to donate this year's proceeds to the hospital fund.

The featured quartet will be the Junior Edition of Chicago, four young men who formed their quartet in February 1970. Two months later, they placed fourth in the Illinois District Novice Quartet Contest. They are now becoming a popular quartet in the Chicago area, and have a great number of songs in their repertoire, both old and new.

Tickets for the show can be purchased at \$1.50 each in advance from any chorus member, or priced at \$2 each at the door. Children under 12 years will be admitted for 50 cents.

MISS SHARON BARHAM, whose engagement to Second Lieutenant Michael E. Logan, U. S. Air Force, a son of Mr. and Mrs. Edwin Logan of Belleville, is being announced by her mother, Mrs. June Barham, 1853 Edwardsville Road.

Logan-Barham Engagement

Mrs. June Barham, 1853 Edwardsville Road, Madison, is announcing the engagement and forthcoming marriage of her daughter, Miss Sharon Barham and Second Lieutenant Michael E. Logan, U. S. Air Force, a son of Mr. and Mrs. Edwin Logan, 7 Grandvue Drive, Belleville.

The bride-elect is a graduate of Madison High School and is attending SIU-SW where she is majoring in Music Education.

LT. Logan received a bachelor of science degree in Music Education at SIU-SW and graduated from Lackland AFB (Texas) Officers Training School. He presently is stationed at Mather AFB, Sacramento, Calif., where he is attending Navigation Training School.

Tentative plans are being made for a winter wedding.

MR. AND MRS. WILLIAM JACKSON. Their wedding was Oct. 16 at the First Church of God, 2910 Pershing Ave. The bride is the former Miss Paulette Howard, a daughter of Mr. and Mrs. William Howard, 667 Barkley Place. The bridegroom is the son of Mr. and Mrs. Walter Jackson, East Carondelet, Ill.

Jackson-Howard Wedding At First Church of God

Miss Paulette Howard, a Empire style formal length gown in shades of blue. Each carried a Colonial bouquet of blue tipped white carnations.

Little Tina Goucher, flower girl, wore a frock similar to the bride's. The groom wore a tuxedo.

The Rev. Walter Gabehart performed the 5:30 p.m. ceremony.

Given in marriage by her father the bride chose a floor length gown of heavy ivory lace over tulle designed with an Empire waistline, accented with a white satin ribbon, a stand-up ruffle at the round neckline and long tapered sleeves.

Bows of lace, pearls and sequins formed the headpiece securing a triple-tiered, shoulder length veil of bridal illusion. Her Colonial bouquet was an arrangement of white carnations, intermingled with ivy and tied with wide satin ribbon.

Miss Donna Malear was maid of honor and the bridesmaids were Miss June Howard, a sister of the bride, and Miss Nancy Jackson.

Fire Prevention Pack 107 Theme

James Fuller Jr., received a pocket knife as first prize in a fire prevention poster contest conducted by Cub Pack 107 in observance of "Fire Prevention Week."

Final judging in the poster competition was held at a pack meeting in the Venice Recreation Center, Culmanier Clifford Mathis Sr., was in charge and Webelos Reggie and Derek Mathis posted the colors.

In keeping with a "fire detectors" theme, team games and contests were staged. Among the winners were Mrs. Jackie Leatherman, Richard Schmidt and Tim Scaturro. Cub scouts were costumed and took part in a grand march around the hall. Winners in the "Best masquerade outfits" were Eddie Paterson and Cissy Wilpumpkins as prizes.

A skit, "Phantom in the Firehouse," was performed by Den 1 cubs, under the leadership of Mrs. Pat Foote, den leader coach.

During a bobcat ceremony, David Coggins, James Fuller Jr., Paul Miller, Tim Scaturro, Percy Wilkinson, Joseph Mulnir, Patrick Leatherman and Eddie Paterson were named by their mothers.

Others receiving awards were Reggie Mathis, reciter patch; Mark Schodroski, denner bars, and Paul Miller, assistant denner bars. Richard Schmidt received a bear book for his birthday.

A candle ceremony was held for Jack Fuller Jr., who advanced in the Webelos and a graduation ceremony was held for Derek Mathis who received his Webelos award and was accepted into Troop 1. Assisting with the ceremonies were Clifford Mathis Jr., Danny Toller and Billy Welsh, Troop 1 scouts.

Henry Hellrich, Explorer Post 65 adviser, showed slides of Camp Sunnen and spoke on the advantages of scouting.

The meeting closed with refreshments. Cub scouts were instructed to take home flowers to the next den meeting.

Oldtime Bottles May Be Worth More Than \$250

By CARYL CARSTENS
Copley News Service

SPRINGFIELD—Your great-grandmother finished off her bottle of bitters and threw it in the trash. Her son, your grandfather, sipped at his bottle of soda pop and then gave it a futile toss under the back porch. Both of them would be amazed to know these bottles in 1971 may be worth a nice bit of cash if you can find them. Many finds are worth \$5 to \$10.

The really rare bottle may be worth more than \$250.

Bottles and glass containers of all kinds have become popular collector's items. There are clubs whose members devote themselves to bottle collecting. Pop bottles, patent medicine containers, bitters bottles, fruit jars, whiskey and beer bottles and a variety of other special-use containers are among the types found and collected.

What is the fascination in an old bottle, often a dull color, of imperfect work-

manship and unartistic design?

There is the fun of the hunt, for one thing, searching through old refuse dumps, in the yards of abandoned houses or in secluded ravines and streams in the country. Some of the bottles are rare, either because only a few were made or because only a few are found these days.

Municipal Financing Agency Would Save Millions--Dixon

State Treasurer Alan J. Dixon (D, Belleville) believes that passage of the Illinois Municipal Financing Agency Act could save residents of the state from \$5 million to over \$30 million in the next ten years.

A bill establishing the proposed agency (IMFA) will be introduced in January in both houses of the legislature, with bipartisan support in each house.

Treasurer Dixon, author of the program, describes the functions of the Illinois Municipal Financing Agency by saying that it would make long-term capital borrowing for schools, sewers and other purposes available to Illinois communities at much lower costs than they could obtain by selling their bonds through normal channels.

IMFA would, in effect, make economies of size and the high credit standing of a state agency available to Illinois municipal borrowers, which now must pay higher debt charges because of the smaller size of

their bond issues and in some cases, lower credit ratings.

Dixon said IMFA would permit the pooling of a number of issues into a single state-sponsored issue backed by the revenues of local taxing units with dramatic cost savings.

The agency would be self-supporting, but the state would provide adequate backup security to the agency's bonds to encourage the broadest possible investor interest, Dixon says.

The act would declare that it is in the public interest to assist governmental units in reducing borrowing costs for taxpayers and residents. Dixon says annual savings would increase each year and, after ten years, could range between \$1,200,000 and \$3 million on an annual basis, depending on the volume of financing.

Among the reasons for predicting lower interest rates on IMFA bonds, Treasurer Dixon cited the following anticipated advantages from pooling or consolidating several issues:

1. Many large investors insist on at least \$100,000 bonds in each maturity.
2. The most influential bond rating services do not rate small issues.
3. Studies have indicated that unrated bond issues of small communities pay about 1/2 of 1% more to borrow than "A"-rated medium-sized communities prior to 1930.
4. Small bond issues have relatively larger overhead costs in marketing than larger issues.
5. Small credits are confined to local or, at best, regional markets.
6. There are relatively few buyers of long-term bonds in small issues; therefore, long-term issues have to be bargained or the issue must borrow short-term.

Small borrowers are the first to be excluded from the market by high interest rates and interest ceilings.

Small borrowers can't sell long-term bonds and short-term borrowing can make current taxes oppressively high. Dixon points out that participation by any municipality would be wholly voluntary, but emphasized that cost savings and a substantially lower debt service expense should be an inducement to participate in IMFA.

In a statistical study, 61 general obligation issues of less than \$1 million each were studied. When interest costs on these issues (\$34 million total) were compared to re-offering yields on issues with investment ratings of AA, the interest cost difference was a minimum of 1/2 of 1%. The saving by consolidating the 61 issues into a single IMFA issue would amount to over \$1,500,000.

Since the average size of these issues was approximately \$300,000, such savings could have been provided as many as three additional communities with funds at zero cost, the state treasurer comments. Investors would pay more for the agency bonds because of rating, marketability and diversification; municipalities would get lower borrowing costs and a stretch-out in debt service; taxpayers would get the benefit from lower financing costs by paying lower taxes, he says in summarizing the plan.

Pepsin and Lydia E. Pinkham's Vegetable Compound should have a familiar ring to any contemporary browser among the druggists' shelves.

Carbonation of the pop wasn't very exact and the bottles often exploded if they were carried on a long, jolting wagon or train ride. As a result the business became a very local industry.

Closely related to the many local soda pop bottling works were the mineral bottling works. Mineral water spas in Europe were fashionable places in the 19th Century and many a small American town tried to cash in on the fad.

Parmelee and Paul report there may have been as many as 50 mineral springs in Illinois alone where the water was bottled or sold by the glass. Some springs also boasted of mineral water baths.

They are collaborating on the writing of a book on the soda pop business in Illinois.

Surrounded by hundreds of bottles and voluminous notes, they still are looking for more material to fill the gaps in their records.

Besides soda pop and mineral water, 19th Century Illinoisans also bought patent medicine and bitters by the train load. Bitters was a liquid with a relatively high alcoholic content, with flavors added to give it a medicine-like taste.

The museum researchers suspect that a great-grandmother might ease the tensions by sipping at her bitters and still keep her conscience clear by claiming it was medicine.

The patent medicines — and they had alcoholic content also — had fancy commercial names like Wrang Tang Liniment; the Mother's Friend; and Zoa-Phora, Woman's Friend. Some of the names are still around.

State Computer Plan to Locate Available Blood

By JOHN MURARO
Capley News Service

SPRINGFIELD — Within a year to 18 months, a doctor or hospital anywhere in Illinois seeking blood for a patient will be able within minutes to locate the kind and type needed if it exists in any blood bank anywhere in Illinois.

Once located, it also will be available to the patient at a fraction of some present costs, it is predicted.

The instant availability of information on blood resources is one goal of a new statewide, uniform computerized system of blood bank operation now being organized through the Illinois Department of Public Health.

"Voluntary" will be the keyword to success of the operation, which may mean closing down all commercial blood suppliers in the state.

Because of the voluntary nature of the program, patients needing blood are to pay only a small charge and processing fee.

Patients such as leukemia victims can presently find themselves, or their families, faced with bills running into the hundreds or even thousands of dollars for blood, a debt which can mean financial ruin for the family," Dr. Bruce Flashner, deputy director of the Department of Public Health, comments. He said the program is still in the organizational stage but added, "We're far beyond at this time, where I expected six months ago we would be."

In a special message on health care delivered in April, Gov. Richard B. Ogilvie requested an appropriation of \$100,000 for the department to establish such a computerized system for inventorying and cataloging blood.

Supporting the plan, Dr. Franklin D. Yoder, director of the public health department, noted that under an uncoordinated system, 25% of units of blood drawn is wasted because recipients cannot be found while it is still viable.

In addition to availability and economy, the computerized approach is expected to produce purer, more disease-free blood.

As of mid-September, 184 of the state's 326 hospitals had blood banks; 49 were accredited by the American Association of Blood Banks.

The state also had 15 licensed commercial blood dealers.

Setting up the statewide program must be done in stages, Dr. Flashner said, with the initial organizational stage now virtually complete.

Next will come phasing out the commercial blood operation, which Dr. Flashner says will follow automatically, since "nobody is going to buy blood if they can get it free." With this step comes establishment of a purely voluntary basis for future operations.

Chicago also has set up a Metropolitan Chicago Blood Council, a voluntary program popularly dubbed "Blood Brother," and a similar program has been established in the East St. Louis area.

When the Central Illinois community blood bank operation now being set up in Springfield, is made operational about Nov. 1, Dr. Flashner said, the entire southern part of the state will be covered, a giant step toward the ultimate statewide program.

Nov. 11 Job Fair Scheduled as Aid to Veterans

The success of a Nov. 11 Veterans' Job Fair is the key that could open the door to employment for many servicemen returning home from Vietnam, Edward J. Bock, regional National Alliance of Businessmen chairman, emphasized this week.

"We need the support of more than 200 firms if we are to properly take care of the 2,500 veterans expected at the fair," Bock said in urging companies and other prospective employers in the entire metropolitan St. Louis area to sign up as participants.

Bock commended Jack Minton, metropolitan NAB chairman, for the work he and his staff have done in planning the fair, which will be held in the arena. The fair is designed to give unemployed veterans an opportunity to talk over job prospects with representatives of local firms. Companies will be provided booths to conduct interviews.

Third in Region
The St. Louis fair will be the third such event held in Bock's NAB region covering Missouri, Kansas, Iowa and Nebraska. Others have already been conducted in Wichita and Kansas City with hundreds of jobs at the disposal of ex-servicemen, said Bock, who is president of Monsanto Co.

"We have pledged 5,000 jobs for veterans in our four-state area toward the 100,000 called for by President Nixon," Bock said. "Wichita and Kansas City have done their part. Now it is St. Louis's turn and I am confident our community will meet the challenge."

Employers should call the NAB office at 421-2234 to sign up.

Praglers Enter Home

Jurglers took a transistor radio and 100 pennies from the home of Ronnie Cottrell, 4207 Kirkpatrick Homes, the owner told police this week. Police said two windows at the front of the home were broken, but were too small for the burglar to enter. All doors to the home were locked, Cottrell stated.

Housing Is One of the Greatest Needs--Simon

By LIEUT. GOV. PAUL SIMON

We say, "A man's home is his castle," but housing experts tell us that only 15% to 20% of the nation's families can afford the houses being built today.

Eighty per cent of all new jobs—as well as 99% of available land sites—are now outside the central cities. In suburban DuPage County, near Chicago, for example, 3,000 new jobs open every year. The number of new jobs there increased 212% between 1960 and 1970.

The workers needed for these jobs cannot afford to live near them. An average factory worker in that county earns \$7,784 and an average commercial or service worker \$6,116.

Between 1968 and 1970, the percentage of houses in DuPage County selling for \$30,000 or more soared from 45% to 70%. Suburban industries need workers so badly that some of them bring them on buses.

Suburban communities profit from the industry they attract. The workers required by that industry should be able to live near their jobs and benefit from the prosperity they help create.

Senior citizens, young families, returning Vietnam veterans in their first jobs, are all caught in the squeeze of inflated housing costs.

Last year, the Chicago Housing Authority had 10 applicants for every available unit of low-income housing designed for those over 65.

Part of the housing problem is that there simply aren't enough houses being built. And the economic situation has aggravated that shortage.

Overcrowded city conditions and the job openings in the suburbs guarantee that workers with low and moderate incomes eventually are going to find a way to live.

Crime and related problems are greatest in places of concentrated poverty. We can prevent more of such places by scattering low and moderate income housing throughout new developments.

It is interesting that in my small, southern Illinois home town of Troy—population 2,100—we have both attractive housing for those of higher income and homes available at rela-

tively moderate cost for those of much more limited income.

And the totally unplanned result is that those of limited income live next to those who have more; those who don't know how to solve problems live next to those who do.

If anyone in our neighborhood has a particularly severe problem, all of us are willing to work together to help.

That type of economic integration is almost totally lacking in the new, planned suburban communities.

I hope that local communities throughout our metropolitan areas will decide to combat the housing crisis in an orderly way by providing for attractive, economical and balanced housing developments.

VISITORS INSPECT new Committal Chapel at Lake View Memorial Gardens where public open house ceremonies will be held to dedicate the new structure. Large under-roof entrance areas are designed to protect families against inclement weather.

Open House to Dedicate New Lake View Chapel

Public open house ceremonies are scheduled Sunday from 1-5 p.m. and again Sunday, Nov. 7th from 1-5 p.m. at the new, all-weather committal chapel in Lake View Memorial Gardens on Route 150 Fairview Heights. The chapel designed as a committal facility will be used in place of a grave-side tent. "Leading cemeteries across the country are building or using committal chapels because the structure protects families against the hazards of inclement weather by allowing them to step from their cars under roof into a comfortable room for services and, even more important, eliminates the concern of a grave-side service—such as walking or standing on adjacent interments," reported Lorain Glock, Lake View Operating Director.

The unique design of the chapel features glass side walls; natural wood interior paneling; colorful cathedral windows and green astro-turf floor covering gives the feeling of a garden setting inside, blending with the more than 50 acres of landscaped flower gardens, lakes and selected memorials depicting various incidents in the life of Christ.

The chapel was made possible mainly through the concern and generosity of Mr. and Mrs. William M. Reiss of Belleville and will be used for committal purposes only as regular funeral services will be at a church or funeral home.

Families will have the privilege of selecting the use of the chapel as no additional cost. Lake View Memorial Gardens was established in 1932.

Child Abuse Cases Rise, State Statistics Show

By JOAN MURARO
Copley News Service

Springfield—Reported cases of physical abuse of children in Illinois continue to rise, with 67 reported cases in September, bringing to 544 the number reported since last Jan. 1. However, spokesmen in the state Department of Children and Family Services say the figures do not necessarily mean that more babies are being battered in the state. Instead, they may only mean that more doctors, nurses and others dealing with child abuse cases are becoming more familiar with amended laws and are carrying out their legal responsibility to report suspected abuse cases.

Since the start of the 1970 fiscal year, on July 1, 1970, through last September, a total of 902 cases have been reported. Child abuse takes a wide range of forms. Most frequently reported are beatings, followed by malnutrition, fractures, burns, neglect, sexual abuse, poisoning and "other types of abuse."

Mother Frequent Abuser
In most cases, the suspected abuser is the mother, with the next person most frequently suspected as the father being the father.

However, the infant or child also may be attacked and abused by stepparents, baby sitters, relatives, siblings and neighbors. Oddly, despite the fairy tale, the stepmother is a far less likely child abuser, according to statistics, than the stepfather, the child's own parents, brothers and sisters, or even the babysitter.

Mayor Proclaims Youth Appreciation Week

A proclamation declaring the week of Nov. 8-14 as Youth Appreciation Week in Granite City was signed yesterday by Mayor Donald Parney. The proclamation said:

Whereas, the vast majority of the youth of the United States are concerned, knowledgeable and responsible citizens; and
Whereas, the accomplishments and achievements of these young citizens deserve recognition and praise of their elders; and
Whereas, Optimist International has for the past 17 years developed and promoted a program entitled Youth Appreciation Week, this year to be observed Nov. 8-14; and
Whereas, President Richard Nixon has signed into being Public Law 92-43 proclaiming Nov. 8-14 as National Youth Appreciation Week; and
Whereas, the citizens of Granite City have indicated a desire to join with the Optimists in expressing appreciation and approval of the contribution of the youth; I, Donald Parney, Mayor, therefore proclaim Nov. 8-14, 1971, as Youth Appreciation Week in Granite City, Ill. By this action, let it be known that we have faith in the ability of today's youth as they assume responsible roles in the future of mankind.

Required to Report
Under a recent amendment to the state's child abuse law, medical practitioners are required to report cases where children's deaths result "from apparent injury, neglect or malnutrition." That law also requires doctors, hospital administrators and other medical practitioners to report to the department, within 24 hours of medical examination of the child, any suspected abuse case. The person making the report, by law, is granted immunity from civil or criminal prosecution.

The department is then required to investigate, offer protection to the child and any other youngsters in the family when necessary and provide social services aimed at rehabilitating the family unit. Statistics indicate law enforcement agencies must be involved in roughly two out of every five cases.

Appreciation Dinner For Vadalabene Nov. 6

A dinner honoring State Senator Sam M. Vadalabene, D-Edwardsville, will be given Saturday, Nov. 6, according to dinner committee co-chairmen, Buddy W. Davis and William F. Hoelscher.

"We think that the Senator's constituents in the 33rd District will welcome the chance to make a show of appreciation for all that Senator Vadalabene has accomplished in Springfield," Davis said. "If we get only a small fraction of those whose lives have been touched for the better by his work, we'll be assured of an overflowing turnout."

"Hard-work and accessibility are the hallmarks of Sam Vadalabene's political career," Hoelscher said. "His interest in education, health care, business and labor, and the day-to-day problems of everyone he represents deserve to be publicly recognized. We have a very active dinner committee working to make sure Senator Vadalabene gets some of the credit that is due him."

The dinner will be held in the Meridian Ballroom on the campus of Southern Illinois University-Southwestern, at 7:30 p.m. Tickets are priced at \$25 per person and tables of ten are available. Ticket requests should be directed to the Sam M. Vadalabene Appreciation Dinner, P.O. Box 204, Edwardsville, Ill. 62025.

Checks are to be made payable to Mr. and Mrs. Frank Hartman, parents of the youth, organizers of the fund advised. The Hartmans have six other youngsters living at home.

Public Employee Bargaining Legislation Nearing a Vote

By JOAN MURARO
Capitol News Service

Springfield — Collective bargaining, backed up with the threat of strike, has become a "way of life" today, according to the head of the Illinois Education Association which backs legislation to give public employees, including teachers, the legal right to walk off the job in disputes.

Specifically, Dr. Curtis Platt, IEA executive secretary, says the teachers' group and several other organizations of public employees are rallying behind a Senate bill currently before the labor and commerce committee, where action may be taken on it this week.

However, there is some obvious division in the teachers' ranks. Also before the Senate labor and commerce committee is a House bill which also aims at setting up a state labor relations board governing public employees.

That bill has the support of the Illinois Federation of Teachers and the Chicago Teachers' Union. Platt hopes to see an "amalgamation" of the two bills, to produce one piece of legislation all the groups could support.

Platt maintains that the Senate bill the IEA supports is "far superior" to the bill other teacher groups back, one more sign of differences which have widely separated the different teaching groups in the past.

The Illinois Federation of School Teachers and the Illinois Association of School Boards have accused the IEA of backing strikes by teachers more out of concern for face-saving and membership-boosting than out of interest either in teachers or students.

Earlier this fall, there were 10 teacher strikes in Illinois—all backed by local chapters of

the IEA, which as recently as 1967 was backing the position that strikes and disruptive picketing should be barred by law.

Dr. Platt concedes that the IEA position has undergone a decided change, a change he says has been forced on the group by refusal of many school boards to bargain in good faith. "Many teacher strikes," Platt says, "actually take place just over the right to bargain, not over issues."

"School boards will often choose to wait and see if the teachers really mean to negotiate a contract, and by waiting they challenge the teachers. Many of this fall's strikes, like the one at Elgin, could have been avoided," Platt charges, "if the board had not refused to meet with teachers and bargain in good faith."

The bill backed by the IEA and the "There Ought To Be A Law" coalition, which has as its mailing address the Springfield IEA office, is modeled after recently-adopted public employee negotiations legislation in Pennsylvania and Hawaii. It would allow strikes by public employees, except firemen, policemen and others whose work involves public safety, in an "impasse" situation when all other avenues are blocked by hopeless deadlocks.

Presently, Dr. Platt says, 27 states have laws governing public employee negotiations, while Illinois has none.

More than 80,000 public employees in the state, including teachers, custodians, mail carriers and nurses and others, are already covered by negotiated agreements. Therefore, Platt says, "Negotiations in Illinois are already a reality in the public employee sector—an uncontrolled reality."

Hospital Seminar to Study Transportation

St. Elizabeth Hospital will hold a one-day seminar on emergency care and transportation of the sick and injured for hospital service area ambulance drivers and others concerned.

The course is scheduled for Saturday, Dec. 4, at St. Elizabeth Hospital from 8 a.m. to 5 p.m. and will be given without charge.

Staff positions and specialists in the fields of general and orthopedic surgery, internal medicine, obstetrics, inhalation therapy and legal aspects will be announced later.

Investigate Burglary, False Alarm at School

The names of three boys have been given to Granite City juvenile authorities in connection with a false fire alarm and a burglary at Washington School this week.

Firemen were called to the school and reported there was no fire but that a set of double doors on the southwest side of the school had been forced open. The only things missing were several coaches' whistles from the gymnasium office.

Children playing near the school told police that three boys they had seen leaving the building, officers said.

Dr. Ralph Knowles Named To Dental School Faculty

The director of the Missouri Bureau of Dental Health, Dr. Ralph E. Knowles Jr., has been named to the faculty of the Southern Illinois University School of Dental Medicine.

He will join the SIU school on a full-time basis Nov. 1, according to Dr. Frank J. Sobkowski, dean of the School of Dental Medicine.

Dr. Knowles received the doctor of dental surgery degree from St. Louis University and the master's degree in public health from the University of Michigan.

An assistant professor, he also will serve as chairman of the department of health management in the Division of Health Services.

The new SIU faculty member was in private practice in Jefferson City, Mo., before joining the Missouri Division of Health. He is a member of the American Dental Association, the Council on Dental Health of the Missouri Dental Association, secretary-treasurer of the Central Dental Society, a fellow and membership chairman of the Dental Health section of the American Public Health Association.

He also is a past president and on the executive board of the Missouri Public Health Association, past vice-president of

DR. RALPH KNOWLES

the Missouri Health Council; member of the executive council of the American Association of Public Health Dentists, and member of the Governor's Commission on Dental Treatment of Handicapped and Crippled Children and the State and Territorial Dental Directors.

He has held faculty appointments in community dentistry at Washington University and was a clinical assistant professor, School of Dentistry, University of Missouri at Kansas City.

Florence Nightingale Speech to Be Played

Segments of a speech given originally in 1856 by Florence Nightingale to veterans of the Crimean War will be presented at 6:30 tonight in the Missouri Room of the University Center at SIU-SW.

The speech was put on a wax drum in 1930 and later taped from the drum. The tape was presented to the SIU-SW Nursing Division by Mary Kelly Mul-lane, dean of the College of Nursing at the University of Illinois at Chicago. Dean Mul-lane received an honorary doctor of science degree at SIU-SW Sept. 3.

The Florence Nightingale tape will be played in connection with a talk by Anne Kimmel, director of nursing service at Loyola University Hospital, who will discuss the changing role of the nurse, stressing today's interest in teaching individuals ways to keep well. Miss Kimmel will speak at 8 p.m. Thursday.

Educators, nursing service instructors and other interested persons are invited to hear both the tape and the speech by Miss Kimmel. Coffee will be served. The program is co-sponsored by the SIU-SW Nursing Division and the Tenth District Illinois Nurses Association.

Area School Boards Convene Here Tonight

Area school board members and superintendents will gather at the Granite City High School cafeteria tonight to take part in the semi-annual dinner meeting of the Southwestern Division of the Illinois Association of School Boards.

The evening meeting consists of a dinner, a keynote address and seven concurrent panel presentations.

The keynote speaker is Dr. Benjamin C. Hubbard, chairman, Department of Educational Administration, Illinois State University, Normal.

The seven panel topics are: non-certificated employees; effective evaluation of staff and program; a workshop for board officers; superintendent-board-staff relations; the negotiations scene; streamlining board meetings; and legislative interpretations.

Also included on the program will be reports by IASB representatives on statewide issues confronting education. IASB is a voluntary service organization of about 1,000 school boards in Illinois, with headquarters in Springfield. The Southwestern Division includes the counties of Madison, Monroe, Randolph and St. Clair.

Harris Halloween Parade Tomorrow

The annual Harris School Halloween parade will begin at the school at 1 p.m. tomorrow with students in kindergarten through third grade, in Halloween costumes, marching through Madison.

The parade will proceed southwest on Alton Avenue to Sixth Street and to Madison Avenue. The children will march along Madison Avenue to Sixth Street and proceed along Sixth Street to the Harris School playground where prizes will be awarded for the best costumes in each grade level.

After the parade, parties will be held in home rooms. Halloween parties also are planned tomorrow at Dunbar School and Blair School where refreshments will be served to the students.

Trick or Treat Adventure Can Be Night of Tragedy

Trick or treat, or trick and treatment?

Which will it be Sunday night as neighborhood ghosts and goblins make their annual Halloween pilgrimage in search of candy and other long anticipated treasures?

For the children it is an evening of great fun and adventure, but for some it can turn into a night of tragedy and sorrow.

Each year, too many children are injured or killed Halloween Eve by motorists unable to see them as they dart unexpectedly into the street. Still others are badly burned as their costumes are ignited by flames from lighted candles and lanterns. This does not have to be if parents will observe rules of good sense and safety, such as the following suggested by police authorities and safety experts.

Use only bright costumes. A white-sheeted ghost is much more easily seen by passing drivers than a black clad witch. But even a brightly-colored child may be hard to distinguish as the evening darkens so a fluorescent strip, which would make him even more visible, is suggested.

Authorities say children should not carry lighted candles or lanterns. Many have been burned in past years when their costumes, which are often made of extremely light, highly flammable material, have caught fire. A flashlight would be easier to carry and also would make it safer when crossing streets.

Chaperone Children

Be sure to chaperone all children, who would not normally be out alone at night. Younger children should be out only in the early evening hours.

A major problem each Halloween is children who have been poisoned. Be very careful that candy, gum or anything else edible is securely wrapped.

Keep a light on in front of the house so that there is no danger of children being injured by walking into objects or holes they can not see in the dark. If there is a pet in the household, keep him away from the door.

Children enjoy putting on makeup as part of their costumes but be careful of what they use. Cheap makeup can in many instances cause complexion problems for youngsters or hurt their eyes.

Finally, when your child goes out for the evening, make sure you know where he or she is going and what time he or she should be back.

Halloween can be a real treat for everyone. One way to insure it is to follow these simple rules of safety. The result will be an enjoyable and safe evening for children and parents alike.

WAITING FOR THE DOCTORS. SIU-SW students don't have to leave the campus for medical attention. The University Health Service provides daily care for all except those requiring hospitalization.

28,042 Visits, 15,672 Tests At SIU-SW Health Service

The University Health Service at SIU-SW is about to burst its stitches, if utilization continues to increase.

Patient visits numbered 28,042 during the 1970-71 fiscal year, which ended June 30. This represented a 65% increase over the same period last year, according to Dr. Roland L. Wiggins, director of the University Health Service.

The unit serves more than 15,000 faculty, staff and students at SIU-SW, and all of the activity takes place in an area of 1,800 square feet, Dr. Wiggins said.

"At peak periods, such as registration and this time of year, when colds and viruses are most prevalent, students often have to sit in the hall while waiting to see a nurse or physician," Wiggins said. "But there are no plans for expansion."

Cost of diagnosis and treatment of minor ailments is paid for from the activity fee paid by each student at registration. Dr. Wiggins said the Health Service receives \$4.15 of the \$10.50 fee paid each quarter by the students. Additional revenue comes from state funds.

Certain tests and prescription medicine are charged to the student but at minimal cost. Dr. Wiggins said. The average cost of a prescription is \$1.37 which is a decrease over last year's figure of \$1.65.

At present, the university is without a hospitalization insurance plan for the students, which means any medical treatment outside of the Health Service has to come out of the student's pocket. Dr. Wiggins said guidelines for an acceptable plan have been drawn up by students and university officials.

19 Graduate in Water Treatment Course

Graduation exercises for 19 area students in the Coupled-on-the-job-Wastewater Treatment Plant Operators program at Southern Illinois University-Southwestern were held at the Flaming Pit, Edwardsville.

This is the second graduating class, according to Clifford Fore, program director. The program is contracted by SIU-SW with the Federal Environmental Protection Agency.

SIU-SW President John S. Rindelman delivered the welcome. Valdas V. Adamkus, deputy regional administrator of Region V of the Environmental Protection Agency, was the speaker. Lawrence McNaney, dean of the Science and Technology Division presented the certificates.

Graduates are Daniel C. Pace and Michael D. Jones, Alton; James Schon, Belleville; Eugene F. Smith, Bethalto; Belmont Scheffel, Brighton; Les Petrait, Collinsville; Donald R. Dodson, East Alton; Darrell U. King, George T. Lewis and Charles R. O'Dell, Edwardsville; Richard Beck and Norman Volpert, Freeburg; Genevieve Edwards, Marie Edwards and Earl J. Jarrett, Granite City; Wayne R. Marcus, Highland; James V. Spann, Harford; Gary King, Marine; and Wilford Lily, Wood River.

The policy of the Health Service is to provide emergency medical care to any member of the university community. Dr. Wiggins said. This can entail examination by a physician, laboratory tests and other diagnosis.

If the Health Service doctor finds it necessary, he will refer a patient to a specialist or to a hospital for further treatment.

In the expansion of service to the university community, the laboratory ran 15,672 tests on 3,912 people during the year. This represents an increase of 256%, Lowell Kelley, medical technologist for the Health Service, said.

The most prevalent medical ailments of SIU-SW students are respiratory infections or the common cold, with sprains and broken bones running a close second, Dr. Emerson M. Carpenter of the Health Service medical staff says. He notes that more cases of mononucleosis can be expected among the students as cooler weather approaches.

Dr. Carpenter said another function of Health Service is to provide immunizations and tuberculosis tests for students and employees.

Because of an outbreak in the country last year, five diphtheria shots were administered to any member of the university community in coordination with the Illinois State Department of Health, and immunizations for influenza were given to students and staff.

Other services offered by the Health Service involve mental health and paraclinical services coordinated by Morton H. Kirsch. He works with Counseling and Testing, and provides medical evaluations for students with physical problems, such as eyesight and hearing, that might impair learning.

Symphony Plans Special 'Konzerts' for Children

The first of the 1971-72 series of three Kinder Konzerts programs, for children from 4 to 8 years old, will be presented by the Saint Louis Symphony Orchestra on Nov. 3, 11 and 16 at Powell Symphony Hall.

The Konzerts are a part of the Saint Louis Symphony Society's educational program, designed to help children appreciate serious music. The November performances will be conducted by 27-year-old Leonard Slatkin, associate conductor of the Orchestra. Corky the Clown, KSD-TV personality, will narrate the program.

Five performances of the first concert program will be presented as follows: 9:30 a.m. and 11 a.m. Wednesday, Nov. 3; 9:30 a.m. and 11 a.m. Thursday, Nov. 11; and 9:30 a.m. Tuesday, Nov. 16.

The Orchestra will play Von Suppe's Poet and Peasant Overture; Haydn's Finale from Symphony No. 82, "The Bear"; Dello Jono's Five Images; and Verdi's Grand March from "Aida."

The second Kinder Konzert program will be presented January 12, 13 and 14, with Romper Room's Miss Lois, of KTVI-TV, as narrator. Cliff St. James of KSD-TV will narrate the third and final program which will be given March 15, 16 and 17.

Tickets are priced at \$1.25 per concert, or \$2.50 for the series of three programs. School and groups may purchase tickets by contacting Mrs. Anna Rice, ticket director, Powell Symphony Hall, 718 N. Grand Blvd., St. Louis, Mo. 63103, (1-314) 533-2590. Individuals may purchase tickets by mail.

SIU-SW Homecoming Festivities Set

Preparations are complete for Homecoming festivities at Southern Illinois University—Southwestern. Activities begin tonight and will end Saturday.

The Miss SIU-SW pageant will be held at 8 o'clock tonight in Meridian Hall of the University Center. Student organizations will sponsor coeds for the title.

Theme for this year's Homecoming will be "Happiness is."

On Friday at 7 p.m., the Cougar pep rally and bonfire will begin. The bonfire will be located near Lot 9. The pep rally will give students a chance to meet the Cougar soccer team and the mascot, the Chimera.

Two bands will perform at an informal Homecoming mixer dance Friday beginning at 8 p.m. The dance will be held in the Meridian Ballroom at 50 cents per person.

The Homecoming parade will begin in downtown Edwardsville Saturday at 10:30 a.m. Floats will represent student groups and area high school bands will provide the music.

On Saturday at 1:30 p.m. at Cougar field on Bluff Road, the SIU-SW soccer team will meet the University of Wisconsin-Parkside. The new Miss SIU-SW will reign over the halftime festivities.

The Business Alumni will hold a reception in the Red Room of the Holiday Inn at Sunset Hill immediately after the soccer game until 6 p.m. There also will be a reception for all alumni in the Walnut Room of the Holiday Inn immediately following the game until 6 p.m.

College Will Base Tuition On Family Income, Assets

Beloit College, Beloit, Wis., next fall will launch a new approach to pricing a college education by breaking with the traditional single, fixed-tuition policy.

Beginning with the class that will enter in September 1972, incoming students will be charged a tuition fee based on their families' federal taxable income plus a portion of assets.

Beloit, a member of the Associated Colleges of the Midwest (ACM), will be represented at the ACM counseling session Oct. 29 and 30 in St. Louis.

Gary Sturm, admissions counselor at Beloit, will take part in an open house for high school juniors and their parents from 4 p.m. to 9 p.m. Friday at the Hilton Inn, 10230 Natural bridge Road. He is a graduate of St. Louis' Lindbergh High School.

Sturm also will be available for private interviews at the Hilton Inn from 9 a.m. to 3 p.m. Saturday. Reservations for interviews may be made by phoning 436-4545 in St. Louis or by contracting the admissions office at Beloit College.

"Our graduated-tuition plan is designed to meet some of the major problems facing private higher education," Dr. Miller Upton, president of the college, said in making the announcement.

Adoption of the new concept, he continued, coincides with the introduction of refinements in Beloit's highly-successful program of year-around education introduced in 1964.

"The graduated-tuition plan seeks to help prospective students base their choice on educational rather than cost factors," Dr. Upton said.

"The 'forgotten' middle-income family is expected to benefit most from the plan," he added. The new plan also is designed to help maintain what he termed an educationally essential balance within the student body.

Graduated tuition, he added, helps meet a challenge relating to this problem offered by Rep. Edith Green (D-Ore.) at the college's spring commencement. Mrs. Green is chairman of the Special Subcommittee on Education of the House Education and Labor Committee.

The graduated tuition will be on a scale from \$500 to \$1,650 per term. The upper figure is the same previously announced by the college as the tuition charge for the class that enters next fall. Thus, there will be no increase in tuition for those who pay at the highest rate, he said.

"In fact," Dr. Upton added, "every student, regardless of the tuition paid, will continue to receive a social subsidy from the accumulated endowment, plant and gifts of others."

Beloit will guarantee to students that the tuition scale for particular income levels will not change during their enrollment. The college also will continue a limited financial aid program, over and above the graduated tuition.

Beloit College has established itself as a student-oriented institution through such programs as deferred entrance for high school seniors who wish to spend a year away from formal education between graduation and college entrance; "High Potential" for Beloit-area educationally disadvantaged students who otherwise might not have an opportunity to go to college; and "EnvironVan," an external environmental education program managed by Beloit students that this fall will visit more than 150,000 high school students at 350 schools.

The curricular program changes announced for 1972 emphasize greater flexibility for students in planning their academic programs and campus living arrangements, and close student-teacher relationships

through a new faculty mentor system.

Beloit will continue to place emphasis on major-area studies and on such other features of its present program as a field term of off-campus work experience for all students, and overseas study opportunities.

The graduated tuition program was developed by Dr. Edwin F. Wilde, vice-president for planning and professor of mathematics at the college. He believes that by making private higher education financially as well as academically attractive to a wider base of prospective students, Beloit and all its students will benefit from such increased heterogeneity.

The benefits, he said, will be academic, cultural and social. "Students from all social and economic backgrounds are able to contribute much to the intellectual life of a campus," he said. "Yet the present pricing structure forced upon private colleges by inflation and by existing public policy has made them less available to low- and

middle-income youngsters, regardless of their demonstrated academic excellence."

Over the years, Beloit has attempted to alleviate the financial problem by continuing massive increases in its student financial aid program. Since 1950, the college has increased such funds for student scholarships and grants by 2,600%.

During the current year, with about 1,650 students registered, Beloit will spend \$600,000 of its limited current income and endowment resources for grants to students.

Quad-City Students in Annual Choral Clinic

Students from 18 area high schools will take part in the ninth annual SIU-SW choral clinic Saturday. The clinic will be held in the Meridian Ballroom. Registration will begin at 8:30 a.m. and the clinic at 9 a.m.

This year's clinic will focus on basic choral skills, according to Leonard Van Camp, director of choral activities at SIU-SW.

At the clinic, Van Camp said, they will work with directors and selected singers from area high schools and "emphasize music reading ability, basic singing techniques and attitudes which will allow the choir and each of its members to best achieve satisfaction through the choral art."

The 60-voice Concert Choral, many of whose members gained acquaintance with the music program at SIU-SW through one of the previous clinics, also will perform for the young musicians and their teachers.

Participants will include: Assumption High School—Tommy Phelps and Raymond Hogan, tenors; Michael Stack (Granite City) and Glenn Vaughn (Cahokia), basses; Brian, director.

St. Teresa's Academy—Annette Bregen and Diane Haglander (Madison), sopranos; Marshella Kimbiri and Linda Prosser, altos; Alice Gardner, director.

Granite City High School—Claudia Corey, Donna Cackrell, and Dally Whitsell, sopranos; Cindy Mathews and Peggy Hightower, altos; Rod Ozanich, Jeff White and Mark Recken, tenors; Ron Stager, John Hornberger, Dan Bowers and Mark James, basses; Paul Mabrey, director.

Venice High School—Karen Matkins, soprano; Gwendolyn Gardner, alto; Barkley Bailey, tenor; Raymond Mosby, bass (all from Madison); Junetta S. White, director.

Blues Rock Group to Perform at SIU-SW

The blues/rock group, T & D Nugent & The Amboy Dukes, will perform at Southern Illinois University—Southwestern Nov. 5, at 8 p.m. in the Meridian Ballroom of the University Center.

The rock group's performance is sponsored by the entertainment committee of the University Center Board at SIU-SW. Admission is \$3.50 for the general public and \$2.50 for SIU-SW students. Tickets can be purchased at the University Center ticket office at SIU-SW, KSHE Radio, St. Louis, and at the St. Louis University and Washington University information centers.

Beginning with their single hit, "Journey to the Center of the Mind," the Amboy Dukes are now credited with six albums.

The group is made up of lead guitarist, Ted Nugent, leader of the group; Dave Gilbert, vocals; Keith Johnstone, drums, and Bill White, bass.

Appearing also with the Dukes will be the group, Globe Theater, who played this summer at the Mississippi River Festival before The Who concert.

Officers for the year were elected and will be installed at the November meeting. New leaders are: president, Jo Marie DeRuntz; vice-president, Dawn Portell; secretary, Jan Federich; treasurer, Kathleen DeRuntz; and recreation director, Betty Komadina.

Members chose projects for the year. Junior leaders, both former Moonspinner members, Teresa Butler and Carolyn Goldschick, were introduced.

Mrs. Brave announced a joint meeting Oct. 25 of the new junior leaders and the officers.

Games for the evening were supervised by Betty Komadina. Mothers present were Mesdames Carth, Margaret DeRuntz, Ruth Malotki, Jo Uram and Carol Davis.

Two members welcomed were Mary Jane Bushong and Mary Beth Winfield. Others answering roll call for Ann Uram were Cheryl Bellue, Mary Ann Bequette, Lori Cahill, Rosalie Ponce, Maria Schmidt, Anita Turner, Marie Uram and Denise St. Ivany. The next meeting will be Nov. 4 at the church.

Music World—Quincy Jones Conquers All Its Branches

By JUDY HUGG
Copley Press News Service

It's not entirely happenstance that Quincy Jones is known as the "Perpetual Motion Man of Modern Music."

For Quincy has conquered every feasible branch of the music world at one time or another during his 20-year career.

During this 20-year span, he has worked as an emcee, composer, arranger, conductor, and vocal accompanist. The A&M recording artist, who was born in Chicago and raised in Seattle, began his career as a trumpeter.

Jones was only 14 when he met a 16-year-old fellow named Ray Charles and they promptly formed a band playing everything from weddings to nightclubs.

It wasn't long after this beginning that Jones took a step toward arranging that has made him one of the most sought-after musicians in Hollywood.

"I wondered how eight guys in the brass section could play the same time rhythmically and not play the same notes," he recalled.

"So I asked Ray and he went over to the piano and BLANG! He showed me a couple of things and it suddenly made sense. From that moment on I was permanently hooked on music, and a whole new world opened up and began."

With a bright future in sight, Jones went to the Berkeley School of Music in Boston on a scholarship. There he took 10 subjects a day while playing in joints at night.

Soon people began hearing about the cool young man with a hot trumpet and he was summoned to New York by Oscar Pettiford and asked to write two arrangements for an album.

"I got \$17 an arrangement and I was thrilled," he said. "In one weekend, I fell in love with the city and its jazz."

"It was still kinda pretty then and cleaner. Everyone was there, you know, greats like Tatum Monk, Bird and Miles. I was only 17 at the time and I had to love it."

The jazz cats had a kind of dignity that was lost later and were still aristocratic drinkers if you know what I mean."

With the opening of "another world, Jones and his jazz took off all over the world, first with the Lionel Hampton Band, then on tour with Dizzy Gillespie.

Still striving to gain a clearer insight to the world of music, he took a job as musical director for the Barclay Discs order to go to Paris and study classical composition with Nadia Boulanger.

While touring Europe he won awards as "best arranger, composer" in almost every country he hit; yet, it wasn't all fun and games.

"We were stranded once in Europe with an 18-piece band (plus families) and our show had folded after three months," he said. "We had to come up with \$4,800 for our payroll every week and I learned a healthy respect for money and the business end of the field."

"I think we hit every country and used every ruse in the book to stay alive. But in 10 months, minus a hundred thousand dollars, I came home."

Back at home, the master craftsman began racking up an astonishing number of "firsts." He became the first black vice-president of a major record company (Mercury) and recently the 35-year-old Jones became the first black musician ever to conduct at the Academy Awards ceremonies.

Now Jones is in another field of music—film score composing.

"I always wanted to get into films," he said. "By the time I was 15, I'd read the back of Frank Skinner's book of film music, 'Underscore.' I actually had to buy another copy."

"At that age, I could listen to the main titles in a movie and know what studio it came from just from the style."

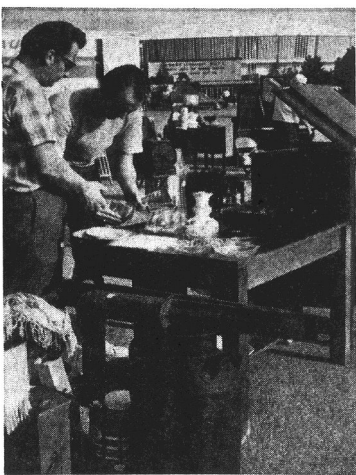

"My first big break came with the film 'Fanny' and then 'Mirage.' I remember the producer of 'Mirage' was scared to death I was gonna write the blues in the main title."

"But I was nervous even with two pictures to my credit. There were those big breaks between pictures and I told myself, 'I just don't know if I can wait that long between pictures.'"

However, by this time Jones had acquired the imagination, heart and technique to make him a first-rate musician and it wasn't long before he started rolling again with Sidney Poitier's "The Slender Thread."

Following that was "Walk Don't Run," starring Cary Grant. Academy Award nominations followed, twice for songs from "Fanny" and "For Love of Ivy" and once for his "In Cold Blood" score.

Today, film scoring is only part of this man in perpetual motion. When time allows he also arranges for top recording artists, including such greats as Sammy Davis Jr., Sarah

THE VICTOR BELONGS TO THE SPENDER. If he happens to take a fancy to the ancient phonograph in the background of this booth vending ancient vintage items. Vaughn, Andy Williams and nearly every name in jazz. He also scores for television and recently presented a new theme for TV's "Ironside" that has proven to be a smash.

The secret of Quincy's success seems to lie in his ability to relax under pressure.

"But whatever the specific makeup of the man, he is renowned for the incredible energy and intense power in which he creates his music."

"It's really so simple," he concluded. "Because what I'm dealing with is music whether it be a film score or a record date."

ALL ABOUT ALBUMS

"Beast of the Bonzos" on the United Artists label by the Bonzo Dog Band should get raves. The Bonzos are one of the few rock bands that have been able to combine rock and humor and make it work.

Their versions of "I Left My Heart in San Francisco," "Piggy Bank Love" and "I'm the Urban Spaceman" should amuse and not abuse even the limited radio listener, as well as the avid rock fan.

RCA has released a debut album called "Boomerang" by a new group of the same name. Mark Stein, formerly of the Vanilla Fudge, is the mainstay of the foursome and gives the group a little added zest.

However, one cannot overlook Richard Ramirez, who at the age of 16 is one of the most accomplished guitarists strumming today.

This is a group that will be heard from again.

Ex-Convicts to Give Prison Life Drama

A dramatization of prison life by a group of ex-convicts will be presented at Southern Illinois University—Southwestern Tuesday at 2 p.m. in the Meridian Ballroom of the University Center.

"The Cage," a play written by an ex-convict, Rick Cluchey, is acted and produced by former inmates and first was produced at San Quentin Prison in California five years ago.

The play shows the sights, sounds and feelings of prison life, including the emotional imbalance that becomes everyday routine for men living in a prison cell. The reaction of guards to the feelings of those in prison also is dramatized.

The ex-convicts say the performance of "The Cage" is dedicated to promoting crime and penal reform.

Following the drama, the group will join the audience in answering questions and listening to comments. They also will visit various classes for discussions during the day. The program is being sponsored by Accura, a student organization. They also will group programming visiting artists and lecturers at SIU-SW.

Social Disease Outlook In Illinois Worsening

By JOAN MURARO
Copley News Service

Springfield—The totals keep going down, and the ages keep going down. That's the box score in the uphill fight to control venereal diseases in Illinois.

The 1970 figures set a new record for cases of reported gonorrhea in the state, 61,866, and showed a slight decline in cases reported of infectious syphilis, 5,204 compared to 6,725 in 1969.

However, department of public health totals for 1971, January through June, indicate both totals will rise to new heights if the present trends continue through the final six months of this calendar year. Through June, there were 3,630 reported cases of syphilis and 22,649 cases of gonorrhea in Illinois.

Even more disturbing are the age groups involved. Presently, public health investigators are still working on one case in which 25 persons have been contacted, interviewed, and tested and four cases of infectious syphilis found. Everybody involved is between seven and 11 years old.

Even worse than the figures is the conviction among public health workers that the totals represent only about one-fourth of the actual cases existing in the state.

Philip Wactor, assistant venereal disease control officer for the state public health department, stresses that the totals compiled by the department represent only reported cases.

For every case identified and reported by a doctor, three others have not been diagnosed, have not sought professional treatment or have tried to treat the disease themselves.

The later, Wactor says, is a doubly dangerous course of action, since home treatment often with antibiotics will not cure the diseases, and may induce dangerous side effects from the self-administered medication.

Ironically, both syphilis and gonorrhea can be easily cured. Both respond to penicillin, though different types and dosages are used for each, as well as different amounts for males and females.

Unfortunately, gonorrhea is showing some developing resistance to penicillin, Wactor says. The antibiotic still wipes out the gonorrhea germs, but it takes more penicillin than it used to, to do the job. Another new development recently is the re-emergence of gonorrhea arthritis, which used

to be commonly seen with gonorrhea infections, but disappeared when penicillin began being used.

Now, however, large numbers of cases of gonorrhea arthritis are being reported again, Wactor said, adding that the disease usually shows up suddenly, a few days to two weeks after infection and usually settles in one joint which becomes swollen, feverish and painful.

Properly diagnosed and treated, it is curable. But left undiagnosed and untreated, the condition will eventually develop into a true arthritic condition, he said.

"Prompt diagnosis and treatment" are the key words in the entire field of venereal disease, Wactor says, but one of the biggest problems is trying to find the infected female with gonorrhea.

While symptoms in the male—obvious yellow discharge and extreme pain in urination—rapidly drive him to seek help, the female may have few, or no, external symptoms.

And even when she is tested, smear tests are generally unreliable. Laboratory blood tests are required to find the disease, which untreated may result in sterility, rheumatic or arthritic conditions and heart trouble.

Untreated syphilis can lead to sterility, heart disease, arthritis, blindness, insanity and death.

HOME DYEING

Home dyeing has long been a good and inexpensive technique for changing a color scheme or for brightening fabrics and clothing.

You need not limit changes to solid colors. The currently popular tie-dyeing gives a new look to fabrics.

However, certain factors must be considered when deciding what to dye and how to dye it. For instance, only washable fabrics can be successfully color-changed. Also, the fiber content must be considered. Dyeing is easy and can be successful if you follow manufacturers' directions.

Not all fabrics will take color the same way. Because of the variety of fabric types and blends used today, it is recommended that you cut a small piece of fabric from an inconspicuous area of the garment to test dyeability.

In general, cottons take dye very quickly while synthetics often take longer to attain the same color. Some polyesters and acrylics do not absorb dye as well as others. And blends of different fibers often absorb dye in such a way as to give a textured appearance.

Fabric finishes applied to eliminate the need for ironing may present dyeing problems while waterproofing finishes may resist dye penetration entirely.

Be sure fabrics are clean before immersing them in a dye solution. For deeper and darker colors use additional dye, longer dye period or a higher dye bath temperature if safe for fabric.

Remove garment from the dye bath solution and rinse very thoroughly to remove excess dye. In future care of

home-dyed articles, wash them separately, as there may be color runoff that would be absorbed by other items in the laundry.

GUIDES FOR FASHION-MIX

The current fashion look in men's wear favors bold and distinct patterns. And the trend is to combine several patterns in one outfit.

Here are some suggestions for men to meet the challenge.

The key to a successful combination in one outfit is knowing where to start and when to stop mixing designs together.

No longer do the old, rigid rules of color and design combinations dictate how to use these elements in dress. But the basic esthetic principles for developing attractive and pleasing combinations in dress still hold true.

If mixing pattern combinations confuses you, follow these guidelines to successfully achieve the look you want.

When you want a contrast of patterns, such as a bold print with stripes, use the bold design that repeats two major colors of the outfit in a small area—a tie, balance it with subdued stripes in the shirt or jacket.

If you prefer pattern similarity within an outfit—all stripes in jacket, shirt, and tie—create an interesting ensemble by varying the width and style of the pattern in each apparel item. A pleasing effect usually results from limiting the most predominant stripe to one apparel item only.

Always choose colors that are harmonious; this does not mean they must match. Select shirt colors that blend with the suit, choose colors that harmonize with at least two colors in the patterned jacket fabric and that do not clash with any other colors of the ensemble.

The successful balance of patterns and use of harmonious colors, plus a little imagination, can diversify a man's wardrobe and give it today's smart fashion look.

A Famous Teen--Miss Margaret Bourke-White

(Margaret Bourke-White, 1906-1971, a famous photographer, was the first accredited woman war photographer and the first woman to fly on a bombing mission. This is one of a series on what famous people were like in their teens.)

By BETT ANDERSON
Copley News Service

Margaret Bourke-White was a very pretty teenager with very strict parents.

It bugged her that she was forbidden to wear silk stockings or read the funny papers. Boys stayed away in droves from her house.

Her household was a quiet one. Most of the time everyone walked on tiptoe and talked in whispers because her father could not be disturbed when he was "thinking."

He was an inventor, though few of his inventions ever got off the ground.

halves or quarters. Pack the tomatoes to about a half inch from the top of a glass jar, pressing gently to fill spaces. But don't add water. Add a half teaspoon of salt to filled pint jars, and one teaspoon to quart jars.

Adjust the lids and place the filled glass jars in the hot water bath containing hot—but not boiling—water. If you don't have a water bath canner, you can use a large pan or kettle with a tight-fitting cover and a rack on the bottom.

Add boiling water if necessary to bring the water an inch or two above the tops of the containers. Take care not to pour boiling water directly on the glass jars. Place the lid on the canner or pan.

When the water comes to a rolling boil—212 degrees F.—start to count processing time. Process raw-pack pint jars for 35 minutes, and quart jars for 45 minutes.

He was also a shutterbug. Cameras and pieces of photographic equipment crowded every room.

It is odd that Margaret, who later became a world-famous photographer, never once imagined that the camera might be her bag. She wasn't even interested in it as a hobby.

Margaret was pretty and popular in high school. She was elected one of the editors of the school paper and represented the YWCA Club at a summer camp.

The boys seemed to like her but no one ever invited her to a dance.

Margaret thought her status as a wallflower might be changed if she became famous.

So she entered a contest for the best literary composition and won. The prize was three books but the boys apparently couldn't have cared less.

At college she became very popular. One day she got caught in a revolving door with a six-foot graduate electrical engineering student. He was also an instructor.

They went steady for a few months and then married.

At Purdue University, the couple received a cool welcome.

In those days, a married student was an oddity on campus. Margaret had no friends and she was miserable. She soon flunked the marriage course.

Then Margaret, a divorcee, went to Cornell. She had to earn a living.

She decided to take pictures of local scenes, have postcards made and sell them on campus.

She and the camera turned out to be soul mates.

Later she became the first accredited woman war photographer as well as a world-famous photographer of the achievements and failures of mankind.

FALL TREE PLANTING

Fall transplanting of trees depends on the timing as well as the tree.

Early fall transplanting is much more successful than transplanting in late fall. You're likely to get best results if you transplant in October. That's when fall root growth is well underway and trees quickly establish themselves in the new location.

Exceptions to fall transplanting are birch, dogwood, magnolia, sweet gum and holly. All have tender roots and adjust better to early spring transplanting.

All transplanted trees perform better when heavily mulched. A heavy layer of wood chips, sawdust, compost or grass clippings preserves moisture and helps regulate soil temperature. Extend the mulch well beyond the transplant area.

GOLDEN PINES

Yellow needles on the inside portion of pines in October are a normal development.

Pine trees drop a portion of their needles every year as a normal part of their growing cycle. Needle drop is rather dramatic when they suddenly turn yellow. Vigorous trees appear hard hit because fast growth creates many new needles each year and drop a large number of old ones each fall.

Pine needles normally function for two summers and drop during the third season. You can count the season's growth on your tree to determine which season's needles are dropping.

HARVESTING GLADIOLUS

Early fall is the time to dig and store dry gladiolus corms.

Fall rains and cool weather promotes a variety of disease problems that eventually destroy many of your choice corms. Prompt drying during warm days prevents disease development while the corms ripen.

It takes a week or more to properly dry gladiolus. When the corms are dirty or muddy the soil should be washed off.

About half way through the drying period break off the old corm and cut off the stalks to leave a 1-inch stub.

While clipping off the stalk look for signs of disease such as brown or blackened leaves and charred black areas around the corm. Destroy the severely diseased plants and partially dried corms.

Basement storage in onion sacks or in flats is ideal when the temperature is from 45 to 50 degrees F. In warm basements store the corms in a corner and cover them with bags to take advantage of the basement walls cooling effect.

NOTE ABOUT WEBWORMS

Spraying for lawn webworm in October will not benefit your lawn.

Lawn-webworm moths are laying eggs for another generation of worms. If you see a cloud of moths during the evening near your grass you may be tempted to take action. This fleet of moths and army of young worms would be a disaster if the weather remained warm. Cool nights and cold rains promotes extraordinary growth of your bluegrass while it retards the worms.

Concentrate on fertilizing and treating for weeds and let the weather take care of webworms.

RESEEDING SHADE AREAS

Fall seeding with fescue is your best chance to establish a shade resistant turf.

Penn Lawn creeping red fescue or chewing fescue are well suited for shade. The toughest part of a fescue lawn in shade areas is starting the grass.

When nearby trees compete for water and fertilizer struggling grass seedlings need all the help they can get.

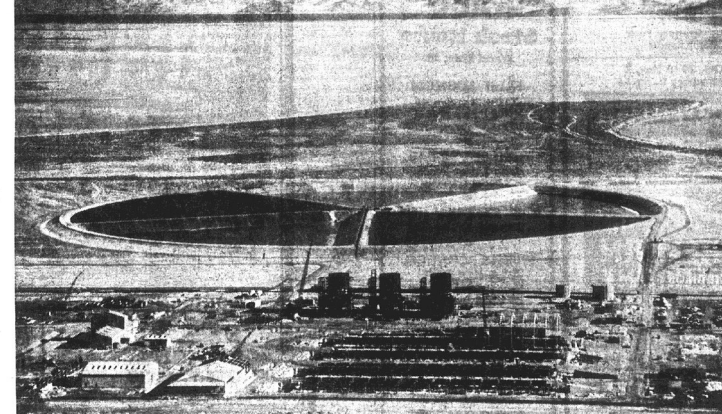

Loosen the soil by raking or dethatching to create a seed bed. Seed on top of hard ground just will not grow. Plan on planting 3 to 4 pounds of seed per 100 sq. ft. or area and apply adequate fertilizer.

Rains will help you with deep soaking but seed and seedlings need a constant supply to get started and develop roots. For the first two weeks water lightly twice a day. When the new seedling is 2 1/2" tall weekly watering during drought periods will be adequate. At planting time apply fertilizer at 1/2 rate to help establish the new seedlings.

Man Struck, Hurt

Kenneth Archer, 2843 Myrtle Ave., was injured as he was walking at 22nd Street and Washington Avenue this week and was struck by an object apparently thrown at him. He was taken to St. Elizabeth Hospital where two cuts to his forehead were closed with 11 sutures. He was released following treatment.

BRADLEY TWINS MARK THEIR 16TH BIRTHDAYS

The twin daughters of Mr. and Mrs. John W. Bradley, 2907 Warren Ave., Lucy and Ruth, celebrated their 16th birthdays at a weekend party given by their older sister, Miss Cindy Bradley.

The basement was decorated in yellow, pink and white with crepe streamers accenting a birthday motif. A large cake carried out a "sweet sixteen" theme with dancing figurines. The honorees, juniors at Granite City High School, received many gifts.

The guests enjoyed dancing and games, followed by a luncheon of sloppy joes, potato chips, cake and punch. Special guest was another sister, Mrs. Donna Coggins, who flew in from Edgewood, Md.

Other guests were Misses Linda Grady, Elizabeth Miller, Donelda Gibbs, Diane Moser and Debbie Johannmeier, Mr. and Mrs. Harold Hughes Jr., Mrs. Nora Stallings and John Grady, Dave Damo, Kenny Bridges, Jim Reeves, Danny Markes, Brad Werthe and Bobby O'Neil.

The honorees entertained several of the guests with a slumber party. Elizabeth Miller, Donelda Gibbs, Linda Grady and Pat Mayer were guests for breakfast and dinner before departing.

TROOP HALLOWEEN PARTY

Junior Girl Scout Troop 492 held its second annual Halloween party with the fathers as guests during the weekend at Kirkpatrick Recreation Center. Earlier in the day, the scouts met with their leader, Mrs. Skippy Kidman, at her home.

The scouts went on to a pumpkin patch, where they obtained material for their costumes, assisted by Mrs. Marilyn Crouch and Mrs. Roberta Warner. The hall was decorated in keeping with the holiday theme.

The guests and their daughters arrived in costumes and prizes were awarded. Mrs. Ann Kidman and Terry Werner, prettiest costumes, Christy Peach and Mrs. Marilyn Smith, funniest, and Jackie Thomas and James Kidman, most frightening. Games were played and jack-o-lantern centerpieces were given as prizes.

Mrs. Kidman explained how the troop decided to aid a child hospitalized since suffering burns in an accident. The leaders displayed several craft projects which the troop will be making and several fathers volunteered to assist.

HERE FROM CALIFORNIA

Mr. and Mrs. Ronald Eaton, 2409 East 25th St., entertained guests in their home, her niece and nephew, Sgt. Eddie Davis and Miss Carolyn Davis of California. They also were guests in the home of their grandmother, Mrs. Ruth Dick, and an uncle, Richard Smith of St. Louis.

They visited the Our Lady of Snows shrine and the "haunted house" in Collinsville. Also making the house tour were Eaton's children, Mike and Ruth Bird and Freddie Eaton, and Webelos of Cub Pack 20, John Wideman, Albert Yount, Jeffrey Arnold, Wendell and William Walker and Monti Naler.

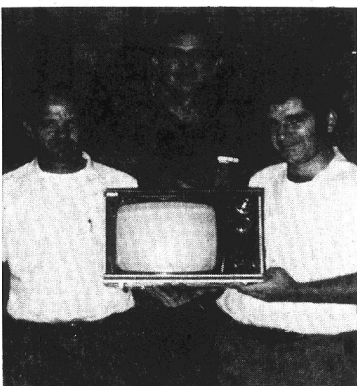

Sgt. Davis and his sister will visit another grandmother in Cairo, Ill., before flying to Pensacola, Fla., to see a brother stationed with the Coast Guard at the Grand Isle Group Center and a sister stationed with the women's Army Corps at Fort Hood, Tex.

On Monday evening, they attended a family dinner in honor of Eaton's birthday. A daughter and son-in-law, Staff Sgt. and Mrs. John Johnson and granddaughter, Kimberlee, telephoned birthday wishes from Fort Ord, Calif.

Imposed State Settlements at Schools Studied

By JOANNE LONG
Copley News Service

SPRINGFIELD—Dr. Michael Bakalis says he's declared "a moratorium on new programs" for the state education office.

It's not surprising. The activities of his office of the Illinois superintendent of public instruction have hit the newspapers almost daily since Bakalis took over last January. His own estimate is that the OSPI runs second to the governor in volume of news generated.

"We've been doing almost too much," he says. Now he feels it's time to slow down.

In these intense nine months, "We've been fairly successful in getting across the image of an office that is around, is doing something," Dr. Bakalis said in an interview.

In this period, he himself has become somewhat of a celebrity around Springfield.

Upstate, the visibility of the office is low. Even some teachers have little idea of what OSPI is, and he gets asked if he's superintendent of construction.

Bakalis' activist philosophy is clear in his intervention in the Decatur school teacher strike. A temporary injunction got the teachers back to work without a contract there. Meanwhile, Bakalis has filed suit asking a circuit court to require the teachers and the Board to accept a contract settlement worked out by OSPI.

There's opposition in some quarters to the idea of the state education office imposing settlements on the school districts. Critics of the idea claim such imposed settlements go beyond the phrase in the school code giving the state office "the power to hear and determine controversies."

A court decision on the subject would have to deal with the fundamental issue of state versus local sovereignty, an issue which Bakalis thinks must be faced head on in the next five years. To date, he says, "No one has tested these powers."

Last month, Bakalis' office sponsored an education conference in Chicago for the discussion of goals and priorities for public schools in the next 10 years.

Participants discussed a booklet of proposals which was a hybrid of staff work and suggestions made by the public in earlier public hearings. The proposals were formulated into "Action Goals," declaring that this would happen in 1974 and that would happen in 1976 and the like.

Bakalis won't say he wants a state takeover of education. At the same time, he says, "I don't mince words."

"Localism as we have known it in this country is in need of revision. It has been excessive localism."

December Draft Call For 8 From County

With a Nov. 5 Madison County draft call for six men still pending, a Dec. 7 call for eight, young men was issued this week. The call includes two from the Quad-City area.

The November call is for three each from the Alton and Edwardsville boards. The December call is for four young men from Alton and two each from the Edwardsville and Granite City boards. The priority will be for men with a number of 125 or below in the 1970 lottery.

Physical examination calls for November have not been issued.

Total inductions in Madison County during 1971 thus far is 303. The largest number of men were called from the Alton board which inducted 127, while 99 young men were called from the Edwardsville board and 77 were called from the Granite City board.

Restaurant Burglarized

Burglars took an undetermined amount of change from filing cabinet in the office of Nacoin machines at the Wagon Wheel Restaurant, 3004 Edgewood Road, an employee reported at 5:40 a.m. Tuesday.

The southwest door of the building was forced. The heap and lock were pulled from the door frame. The money was taken from a cigarette vending machine, a pinball machine and a jukebox.

Griffith in Plan-It-Yourself Study Program

For 46 undergraduates in the University of Illinois at Urbana-Champaign, majoring in a field of study now means following a plan-it-yourself curriculum which may include study overseas, work experience or research projects.

The group includes Lawrence Griffith, 3129 Willow Ave., Asian studies.

The 46 are the first to be accepted for an experiment in undergraduate education called Individual Plans of Study (IPS).

Liberal Arts and Sciences (LAS) sponsored the new program to allow selected undergraduates the freedom of pursuing their interests without meeting traditional requirements for a major and minor field of study.

IPS director David Whisnant, professor of English, said each student accepted for IPS had designed a program to achieve his own goals which was approved by a faculty advisor.

"A lot of good students who were frustrated and contained

in conventional programs of study are now free to do what they wanted to do all along," he said.

The plans of study must meet university graduation requirements but are not governed by most LAS requirements, he said.

"The main requirement is for a student to fulfill the terms of an individual agreement or graduation contract he negotiates with the IPS director and advisory committee when he is admitted to the program."

Study plans approved this year reveal diverse interests and include challenging work not limited to a list of courses, Whisnant said.

Students may include individual research projects, travel and study overseas, work experience and public service activities, he said.

"The possibilities of IPS are limited only by the imagination of students who apply for it," Whisnant concluded.
